County May Review Pine Grove Today

Bay Area Commute Travel Study Starts, To Reach Contra Costa About March 10

With Contra Costa County scheduled to be included starting around March 10, a survey of commuter travel in the Bay Area got under way Wednesday for the San Francisco Bay Area Rapid Transit Commission.

To include both transit and highway traffic groups, the two-month survey is being conducted by Parsons, Brinckerhoff, Hall and Macdonald, the consulting engineering firm engaged to study and prepare rapid transit plans for the commission in the nine-county San Francisco Bay Area.

According to Thomas H. Healy of New York City, traffic consultant for the firm and in charge of the commuter survey, several highway stations for the checkup will be established in Contra Costa County around March 10, with others to be set up around March 16 or 17, and a station will be established at the east end of the Broadway Tunnel about March 25.

EXACT LOCATIONS will be announced soon, Healy said.

In addition to roadside interviews of motorists, checkers will ride Greyhound buses.

Basic questions to be asked in the survey, in Contra Costa and the other Bay Area counties, are: Where are you going? Where did you start?

"Answers by the public as commuters will play a major part in the study for rapid transit," Healy said. 'The replies will be the basis for determining to what extent people can travel faster, more directly and cheaper in the Bay Area than they can at the present time."

THE COMMUTER TRAFFIC survey officially started with interviews of passengers on Marin County commuter buses and with highway interviews in the Colma-Daly City area.

'This origin-and-destination survey will determine within reasonable accuracy the travel habits of interurban passengers within the Bay Area," Healy stated.

'The studies will show the major movements, the modes and times of travel, the purposes for the trips and where made. The results will eventually determine the traffic potential for the proposed rapid transit routes."

COMMUTER PASSENGERS on buses and trains will be handed IBM form cards on which they will be asked to write legibly the answers to these questions:

(1) "Where did your trip start?" (nearest street corner); (2) "Where will your trip end?" (nearest street

(Continued on Page 2)

Sacto Northern In Transit Study

The commuter travel survey for the San Francisco Bay Area Rapid Transit Commission is part of an over-all study on rapid transit possibilities.

Part of this study includes the Sacramento Northern tracks and right of way from Oakland to the Walnut Creek area.

Parsons, Brinckerhoff, Hall and Macdonald, the consulting engineering firm conducting the study, recently informed H. L. Cummings, chairman of the Contra Costa Board of Supervisors, that it will prepare a report on that section of Sacramento Northern, to be ready "possibly as early as June."

(See editorial on rapid transit—back page.)

Pin-Ball Recovery Suit May Test State Penal Code

District Attorney Francis Collins was directed Tuesday to represent Sheriff James N. Long in a suit against him for recovery of four pinball machines seized in a raid January 18.

The suit which claims that the four machines are predominantly a game of skill and thus not illegal under the State Penal Codes was filed last week by C. J. Silla of Oakland.

IN EARLY REPORTS the suit was alleged to claim that the four machines are not multiple-play and thus not illegal, but this week Deputy District Attorney David Levy said the suit only claims the machines are not games of chance.

On this basis, it is believed that the suit might result in a case testing the state laws, if it goes into court.

Some observers say that the current Grand Jury investigation of illegal pin-ball operations in the county is being held up until the Silla suit is decided.

ARTHUR GRANSHAW, Grand Jury Foreman, when asked about the investigation, said, "You'll know about new developments as soon as I will from the newspapers."

Presumably he had reference to the Silla suit, the only such suit filed for recovery of pin-ball games seized in a raid January 18 by Sheriff's Deputies.

Wednesday Sheriff Long is reported to have said that the other seven machines seized in that raid will not be disposed of until the outcome of the Silla suit is known.

LEVY SAID that no date for the case to appear in court can be expected yet. "We haven't even answered the suit yet," he added.

Levy also said, "The case might not even go to court — you know, many suits are settled out of court."

Silla, operator of the Silla Music Company in Oakland, filed his suit through Ivan C. Sperbeck, Oakland attorney.

He asks recovery of the machines or $500 damages, plus costs of the action. Illegal seizures of the machines from Alamo Gardens and Shady Way Inn, Alamo, and from the Valley Cafe, Danville, is charged.

Keith Endersby Taking Army Training

Private Keith H. Endersby, son of Mr. and Mrs. V. A. Endersby, 3579 Powell Drive, is enrolled in the Antiaircraft and Guided Missiles Branch of the Artillery School at Fort Bliss, Texas.

He is spending 11 weeks studying guided missile mechanical material maintenance.

A graduate of Acalanes High School and a student at San Jose State College, Private Endersby entered the armed forces last November 27. His wife, Ellen, resides at 33 South 6 Street, San Jose.

"BEST BOY SCOUT SHOW EVER HELD in the area!" That was the comment heard frequently from the nearly 5000 persons who packed Meridian District's annual Boy Scout Exposition at Acalanes High School last Saturday. Peder Knudsen (left), senior patrol leader of Lafayette Troop 223, and Arne Groennings, scribe of Orinda Troop 200, study the scout emblem and a scout poster on the stage of the Boys' Gym. (See story on Page 3). — SUN Photo by Mattson

EBMUD to Place Fluoridation Question Before Voters – 'After Clarification'

The Board of Directors of East Bay Municipal Utility District intends to place the question of fluoridation of drinking water before the district's voters after "questions regarding authority, responsibility and legal liability" are clarified, EBMUD General Manager John W. McFarland stated this week.

At the same time, Dr. Lyall O. Bishop of Walnut Creek, recently elected president of the Contra Costa Dental Society, stressed that one of the key points of the society's program is "the earliest development of fluoridation of all community water supplies serving Contra Costa County."

In a letter to Herman Silverman, editor and publisher of The SUN, McFarland said that Silverman's comments on fluoridation in his "Under the Sun" column of February 12 interested him "very much" and added:

"TO CLARIFY the district's position in connection with the question of fluoridation of the public water supply, I should like to explain the district's policy in this regard, as established by its Board of Directors.

"If the Municipal Utility District Act and the State Health and Safety Code are properly amended to clarify questions regarding authority, responsibility and legal liability, the Board of Directors intends to place the question of fluoridation to a vote of the people so that they may make the final decision.

"The State Legislative Council, which reviewed the question at the request of Senator Breed, has confirmed the district's view that changes in the law are necessary.

"SPECIFICALLY, our directors want to be sure that (1) fluoridation is authorized, (2) the State Health Department is responsible for controlling fluoridation, (3) the district will not be subject unfairly to liability from damage suits as a result of adding fluorides to the public water supply.

"While awaiting legislative action, the district is happy to cooperate, to the greatest extent possible, with any and all groups interested in the question of fluoridation.

"The SUN is to be commended for bringing to the attention of its readers matters of such widespread community interest."

DR. BISHOP pointed out that fluoridation of the water supply for dental health improvement is operating in 846 places throughout the United States for more than 15,600,000 people, of whom almost one million are in California.

Dr. Bishop is the Contra Costa Dental Society's chairman of fluoridation consultants for communities served by EBMUD. Among those in his group are Dr. D. E. Priewe, Walnut Creek; Dr. C. G. Woolman, Pleasant Hill; Dr. R. G. Light, Orinda and Moraga, and Dr. J. K. Hansen, Lafayette.

Heading the society's fluoridation consultants for communities served by the California Water Service is Dr. J. S. Shaw of Concord. Among those in his group are Dr. C. G. Woolam, Pleasant Hill; Dr. R. E. Cuenin, Alamo, Danville and Diablo; Dr. M. N. Wallin, Pacheco, Vine Hill and Port Costa; Dr. L. Winters, Clayton, and Dr. R. G. Brink, Concord.

Dr. B. F. Pridgen of Antioch heads the consultants' group for communities served by independent water supplies. Among those in this group are Dr. L. Winters, Gregory Gardens, Cowell and Lakewood, and Dr. M. N. Wallin, Martinez.

THE MARTINEZ City Council on January 20 unanimously authorized the city water works superintendent to obtain costs of equipment and "to proceed with injecting fluorides in the water supply."

In an advisory vote April 8, 1952, the citizens of Martinez voted 1314 to 984 in favor of fluoridation.

What East Bay Municipal Utility District and YOU can do about fluoridation—See "Under the Sun" column on back page.

Standard Station Lease Now Being Readied by Breed

Expected to be completed "within the next 30 days," a lease is being prepared for Standard Oil Company for a filling station at Camino Encinas and Moraga Highway, D. A. Breed, vice-president of Broadmoor Improvement Company and head of the D. A. Breed real estate firm in Oakland, announced yesterday.

At the same time, Breed denied rumors that Standard Oil is interested in the Breed lot at the corner of Moraga Highway and Brookwood Road, across from the American Trust Company.

"There's nothing to those rumors at all," he declared.

Breed pointed out that the Standard station at Camino Encinas and Moraga Highway will be at a corner of the Freeway Interchange.

Standard Oil is also interested in obtaining a filling station site on the west side of San Pablo Dam Road, East Bay Municipal Utility District properly across from the vicinity of the Christian Science Church.

Shell Oil Company is also interested in acquiring a site in that section.

Flu Cases Here, But Not Serious

Although there are many cases of flu and virus reported, both Joseph Sheaff, superintendent of schools in Orinda and W. B. Ellis, superintendent of schools in Lafayette report that there is no epidemic.

"We have had a few cases," Ellis reported, "but nothing reaching epidemic stage by any means."

Sheaff concurred and added, "We've had some chickenpox, too, but not a great deal of flu."

Garbage Dumping Incites Canyon Letter to County

Increasing concern over illegal and unsanitary dumping of garbage and refuse along county roads led The Canyon Community Club to appeal to the Board of Supervisors recently.

In a letter addressed to H. L. Cummings, chairman, Mrs. Claude Seeds, president of the association, offered six suggestions for the remedying of the situation. They were:

1. **"MAKE THE** public aware of Ordinance 165, its penalties and intent of authorities for active and continuing enforcement of it.

2. "Newspaper editorials, pictures of dump sites and more publicity of conviction of violators.

3. "List dangers which result from road-side accumulation of refuse, cans and broken glass, and the health and fire hazards.

4. "Arouse public opinion to the point where a citizen who witnesses such a mis-demeanor will realize it is his civic duty to report it . . .

5. **"RECOMMENDATIONS** that householders hire only authorized and licensed clean-up firms who haul trash to legal dumps. (There have been numerous cases in our area where evidence found at dump sites was traced to people who had hired transient workers.)"

6. "Print maps showing locations of county dumping grounds."

The letter also pointed out that the problem is widespread and difficult to solve. It read:

"We know this to be a county-wide problem that interested county departments are understaffed and the area large.

"HOWEVER, we believe a county-wide cleanup drive and an active campaign to eliminate this deplorable practice can be accomplished with the cooperation of civic and improvement groups and newspapers along with a more strict enforcement by county authorities of existing laws . . . a get tough policy, the only kind which such violators understand.

"We suggest a periodic highway and road-side clean-up, possibly done by a crew made up of convicted violators.

"We believe also, that the county will save expense in the long run by policing known dumping areas, with guards at night, when apparently most of the dumping takes place."

Supervisors Ask Taxpayers Study Of Redistricting

A proposal Contra Costa County Supervisorial Districts be revised is now being studied by the Contra Costa County Taxpayers Association which will report to the Board of Supervisors March 9.

Supervisors Ray Taylor, Ivan Goyak, Warren G. Buchanan and Jake Frederickson all indicated they are in favor of the proposal made by the Pomona Grange Tuesday.

More knowledge about state laws on the subject of redistricting will be necessary before we can take any action, Taylor said. For that reason, "I can't say when redistricting would take place," he added.

It "would be the first time in history" the county has been redistricted, he said. Referring to his own district, he added "Three is the fastest-growing area in the United States and has the heaviest work load."

Graves to Speak To Orinda Demos

Richard Graves of Lafayette, Democratic candidate for Governor, will speak to the Orinda Democrats at their annual membership meeting Wednesday at 8 p.m. in the Fellowship Hall of the Orinda Community Church.

Graves was endorsed as candidate for Governor by the California Democratic Council at its convention in Fresno February 6 and 7.

Graves will discuss some of the issues involved in the forthcoming gubernatorial campaign. His talk will be followed by a discussion period. The Orinda Democrats invite all interested to attend.

The second half of the meeting will be devoted to the annual election of officers, action on proposed changes of by-laws and reports of outgoing officers.

1 Dies, Others Recovering from Auto Accident

Five of the six commuters involved in a headon crash near Walnut Creek last week are recovering. This sixth, William C. Marshall of Avenida del Orinda, Orinda, was killed.

Malcolm W. Loveland, 52 Camino Del Diablo, Orinda, driver of the car, was taken to Herrick Memorial Hospital in Berkeley where his condition this week is described as "no worse."

THE OTHER SERIOUSLY injured commuter, Roy Elke, 3743 Happy Valley Road, Lafayette, commented "I'll be tied up for a while but I'm feeling pretty good." He is presently in Kaiser Foundation Hospital in Oakland.

Less seriously injured were William Wakeman Jr., 963 Oakland Avenue, Lafayete; James E. Blades, 224 El Toyonal, Orinda, and Philip May, 1123 Rahara Drive, Lafayette.

Driver of the truck was B. L. "Buck" Pounds of Earlymart, Tulare County.

THE AUTO-TRUCK accident clogged evening commuter traffic on Danville Highway for nearly two hours. The truck overturned, oranges were spilled out and the car hurled into a ditch by the impact. Firemen and ambulance attendants had to pry the occupants from the auto.

Utility District Refuses To Reply to Orinda Planning Committee Proposals

The County Planning Commission may review the entire Pine Grove and Crossroads area rezoning controversy at its executive meeting at 2:30 p. m. today in Room 210 of the Hall of Records in Martinez, Assistant County Planning Technician H. Russell Griffith said late Wednesday.

On file with the Planning Commission is Easy Bay Municipal Utility District's renewed request that its application for Retail Business rezoning be approved "as promptly as possible."

The request concludes a letter in which EBMUD refuses to answer the proposals submitted to the commission last week by the Orinda Association's Orinda Planning Committee.

Received by the commission's technical staff last Friday, the letter, dated February 17 and addressed to the commission, is signed by Phil Wagner, manager of EBMUD's Properties Division.

LAST WEEK the Orinda Planning Committee asked denial of the EBMUD application and development of a master plan for central Orinda prior to any other action on rezoning.

This request was accompanied by voluminous information, including results of a public opinion questionnaire distributed to every sixth home in Orinda and a suggestion by Francis Violich, committee consultant, of a three-point central Orinda planning program:

1. Development of a shopping and business area adjacent to and integrated with Orinda Village, from which it would extend southward.

2. Relocation of San Pablo Dam Road behind this expanded business area, from the Miner Road-El Toyonal vicinity to the Interchange ramp.

3. Use of the Pine Grove and the general section on the east side of the present San Pablo Dam Road for community purposes.

RECOMMENDATIONS of the committee were fully reported at a Town Meeting in Orinda School auditorium February 15 attended by over 300 Orindans, who enthusiastically approved the committe program.

Since the Town Meeting, postcards and letters from Orindans have been steadily going to the Planning Commission urging denial of the rezoning application and development of a central Orinda master plan.

Wagner's letter reads as follows, according to Griffith:

"AT THE HEARING on this matter February 2, 1954 ,the protestants were given 10 days within which to submit additional material, and the utility district was given 10 days thereafter to reply if it so desired.

"The initial 10-day period has expired and the utility district has received from the Orinda Planning Committee a copy of certain material filed by the latter with the Planning Commission.

"The utility district has heretofore filed with you certain documentary material and at the hearing of February 2 presented oral testimony in support of this application. Likewise, your technical staff has rendered a report on the matter.

"It appears to us that the commission now has before it complete material for the determination of the pending application.

"THE DISTRICT does not wish at this time to file any further material unless it should be required by the commission.

"Accordingly, the utility district hereby submits its application for rezoning upon the documentary material and oral testimony which it

(Continued on Page 2)

Condon Will Not Carry Appeal to Representatives

Congressman Robert L. Condon has no intention of asking the House of Representatives to rule on his case, he announced Wednesday.

"I've done all I'm going to do. I don't see that there is anything more I can do. As far as I'm concerned, the case is closed," he said. He also announced he will seek reelection in November.

Barred from an atomic test in Nevada last May by the Atomic Energy Commission as a security risk, Condon appeared before the Joint Atomic Energy Committee in January to refute charges against him.

He denied under oatch he was or had ever been a Communist or sympathizer and answered a list of 13 charges made by unnamed persons in the AEC report.

In the hearings, Senator Pastore, (D., R. I.) suggested he take his case to the House and ask to be cleared or disqualified.

March of Dimes Totals $6707.98

Final reports on the March of Dimes show that Orinda collected $6707.98, according to local chairman Joseph L. Sheaff.

The local Fathers' March gathered $4086.79, school collections accounted for $809.82, test-tube coin collectors gathered $213.50 and theater collections $189.

One special event, a cake sale by the Orinda Democratic Women, collected $51.75. The remainder of the money was mailed into county headquarters on March of Dimes cards.

This exceeded last year's record collection, which was $5404.67.

"Much thanks must go to the fathers who collected the major share of the money under the direction of Ernest Rahmeyer," Sheaff said, "as well as the cooperation of all the people in Orinda who gave so generously to such a worthy cause."

Mothers' Club Starts Annual SUN Sub Drive

The Orinda Mothers Club is now conducting its annual Orinda SUN subscription drive. Proceeds will go to purchase playground equipment for the Orinda schools.

The Mothers Club receives a portion of each new subscription it obtains.

In past years playground equipment and still-film projectors have been purchased.

Goal of $27,000 Set for Red Cross Membership Drive To Begin Monday

A goal of $27,000 will be sought in the annual March fund and membership drive of Mt. Diablo Chapter of the American Red Cross, Chairman Don Mitchell said this week.

THE FUNDS will be divided, he explained, with $5940 going to the national organization and $21,060 remaining here for local work.

A Red Cross membership will go to every person who contributes $1 or more in the coming campaign. Members may participate in first aid classes, the water safety program and take baby care courses, he said.

RED CROSS activities in the area include the blood bank, the home service, which aids servicemen and their families; the Gray Ladies, who aid in service hospitals; entertainment, supply and production committees which provide things for servicemen and needy, and the Junior Red Cross.

The following Community Chairmen were announced:

Alamo, Mrs. Robert Matteson; Diablo, Mrs. Robert Hammel; Lafayette, south, Mrs Russell E. Smith; Lafayette, north, Mrs. Robert Platt; Lafayette business, north, Mrs. William E. Biggerstaff, and Lafayette business, south, Mrs. J. Howell Turner.

CANYON AND MORAGA, Mrs. Harold Parker; Orinda north, Mrs. G. W. Miller; Orinda, south, Mrs. Valentino Pera; Pleasant Hill, Mrs. Francis Cline, and Walnut Creek, business district, John Osmundsen.

Walnut Creek, south, Mrs. Julian R. Ramelli; Walnut Creek, east, Mrs. Alex Lindsey; Walnut Creek, northwest, Mrs. James Nutting; Ygnacio Valley, Mrs. Robert Wallace; Sun Valley, Mrs. R. T. "Chris" Adams, and Danville, Mrs. Fred Egbert.

Balmy Spring in The Atmosphere

There is that touch of Spring in the air that comes every year about this time, and happy homeowners can be seen sniffing the fresh air and blossoms almost everywhere you look.

Of course, there was no rain and the temperature remained mild and balmy all week, albeit chilly at night. Total rainfall for the season is 17.91 inches.

LUCKY BUCKS

A Treasure Hunt for 10 Lucky Dollar Bills each week, that pays off in CASH AWARDS

HERE ARE THE LUCKY BUCKS NUMBERS for Feb. 26 to March 5

Serial No.	Worth	Serial No.	Worth
V 23015930 G	$25.00	S 17640510 G	5.00
I 75816659 F	10.00	M 72181470 G	5.00
N 46630221 G	10.00	U 94143994 G	5.00
M 47616041 G	10.00	U 81188314 G	5.00
W 15673626 F	5.00	U 94312172 G	5.00

HERE ARE THE RULES:

1. The above serial numbers are taken from one dollar bills. Persons having actual possession of these "Lucky Bucks" can turn them in for cash ranging from $5 to $25.
2. The bills whose numbers are published have been placed in circulation in this area prior to publication.
3. If you have in your possession a dollar bill bearing the serial number published in The SUN, phone YEllowstone 4-6777, Lafayette 4444 or Orinda 2902 and arrange to receive your reward.
4. It is not necessary to buy copies of The Sun to win an award. You may inspect a copy of the paper and the prize list free at our offices during business hours.
5. The Sun's Lucky Bucks are worth special awards for only one week, Friday, 9 a. m. to the following Friday at 9 a. m., when new lists will be published.
6. Any person or persons may participate in the Lucky Bucks hunt except employees of The Sun or members of their families.
7. If the person presenting the Lucky Buck is under 21 years of age he or she must be accompanied by either parent or guardian.

Work To Start Monday on New Catholic Church

Excavations for the foundations of the new Santa Maria Catholic Church to be built on the hill directly back of Orinda School will be started Monday, weather permitting, by Beckett and Federighi of Oakland, general contractors, the firm announced yesterday.

The company with its bid of $220,000, was the low bidder among nine firms vying for the job. Bids were taken by the Roman Catholic Archdiocese of San Francisco February 9, and the contract was signed by the Roman Catholic Archbishop of San Francisco and the successful bidder February 15.

TENTATIVE SCHEDULE calls for completion of a church, an auditorium and a rectory in six to seven months, according to a representative of the company. The site consists of 14.75 acres.

Father David J. Harrington, pastor of Santa Maria Church, said it is planned to build a convent and a school at some later date. This expansion, however, is not included in the present project.

FRED FEDERIGHI and Art T. Beckett, partners in the firm doing the job, are Orinda residents and are members of the Santa Maria Parish. Federighi lives at 27 La Noria and Beckett lives at 9 El Sueno.

Father Harrington said that until the new church building is completed, services will continue to be held at the present Santa Maria Church on Miner Road across from the Orinda Country Club golf course.

Istomin to Join S. F. Symphony

Conductor Enrique Jorda and the San Francisco Symphony Orchestra will be hosts to pianist Eugene Istomin March 4, 5 and 6 at the Opera House.

Included on the program will be Beethoven's Concerto No. 5 ("Emperor") for Piano and Orchestra, Carneval Overture by Dvorak, Haydn's "Surprise" symphony, "The Walk to the Paradise Garden" by Delius and Dukas' "The Sorcerer's Apprentice.

Young GOP Group To Elect Head

The Orinda Young Republicans March meeting will be held at Mrs. R. A. Fayram's home, 81 Sleepy Hollow Lane, Thursday at 8 p.m.

There will be a debate on the Bricker Amendment, a report on the convention at Fresno and an election for president.

All couples interested in the furtherance of good politics are urged to attend.

ORINDA YOUNG REPUBLICANS CLUB'S new president, Hal Arnot, and new secretary, Mrs. Duane Neuenschwander, find that 1954 offers plenty of opportunity for organizational activity. Other new officers are Charles McCoy and Betty Irwin, vice-presidents, and Mrs. Warren Arnett, treasurer. — Tribune Photo

CALENDAR OF EVENTS

FRIDAY, FEBRUARY 26
Shipmates Club, home of Ralph Phelps, 6 Oak Lane, evening.

SATURDAY, FEBRUARY 27
Las Amigas Parlor, Native Daughters of the Golden West, luncheon-fashion show, El Nido, Lafayette, 1 p.m.
Girl Scout cookie sale opens.

SUNDAY, FEBRUARY 28
Attend the church of your choice.

MONDAY, MARCH 1
Contra Costa Real Estate Mart breakfast, El Nido, 8 a.m.
Orinda School Board, Orinda School, 8 p.m.
Orinda Lodge 704, F&AM, Orinda Community Church, 8 p.m.

TUESDAY, MARCH 2
Women's Guild, Orinda Community Church, dessert card party, 12:30 p.m.
Boy Scout Troop 207, Scout Hut, 7:30 p.m.
Chamber of Commerce, Willows, noon.
Orinda Branch, Children's Hospital of the East Bay, Robert R. Gros, lecture, El Nido, Lafayette, q10:30 a.m.
Contra Costa Real Estate Board, Rancho Grande, Lafayette, 7 p.m.

WEDNESDAY, MARCH 3
Orinda Democrats, Orinda Community Church, 8 p.m.
Orinda Rotary Club, Willows, noon.

THURSDAY, MARCH 4
Young Republicans, home of Mrs. R. A. Fayram, 81 Slepey Hollow Lane, 8 p.m.
Heidi chapter Children's Home Society, St. Patrick's Day luncheon, Tunnel Inn, Lafayette, noon.
Central Contra Costa Sanitary District board of directors, 1822 Mt. Diablo Boulevard, Walnut Creek, 8 p.m.

FRIDAY, MARCH 5
Seafarers, home of the E. T. Meakins, 33 La Noria, 7:30 p.m.

Rapid Transit Study To Begin Soon

(Continued from Page 1)

corner); (3) "Do you use other rail or bus service on this trip?"; (4) "Where are you going?" (to work, to school, to shop, etc.); (5) "Type of fare paid?"

PRIVATE CAR drivers will be asked:

(1)) "Where are you coming from?" (nearest street corner); (2) "Where are you going?" (nearest street corner); (3) "Do you use a bus or rail line as part of this trip?"; (4) "What is the purpose of your trip?" (work, school, shopping, etc.).

The field work phase of the commuter traffic survey will be completed about mid-April, according to Healy, and the coding and factoring of the information is expected to be finished by July 1.

FROM THIS FIELD work material, traffic flow maps, desire line maps and other data will be prepared as soon as the information is available," Healy said. "The report on this phase of the work will be finally prepared by September 1."

Some 60 men, including supervisors for the roadside interviews and about 16 men for the transit-riding interviews, will constitute the staff for the commuter traffic survey. Supervising the entire force will be the firm's permanent staff of five traffic engineers, headed by Healy.

Checkers wear aprons on which are printed, 'Bay Area Rapid Transit Survey Checker — Parsons, Brinckerhoff, Hall and Macdonald."

"It may be that passengers and private car operators will be asked to cooperate several times during the survey," Healy said. "In such cases they should answer the questions each time."

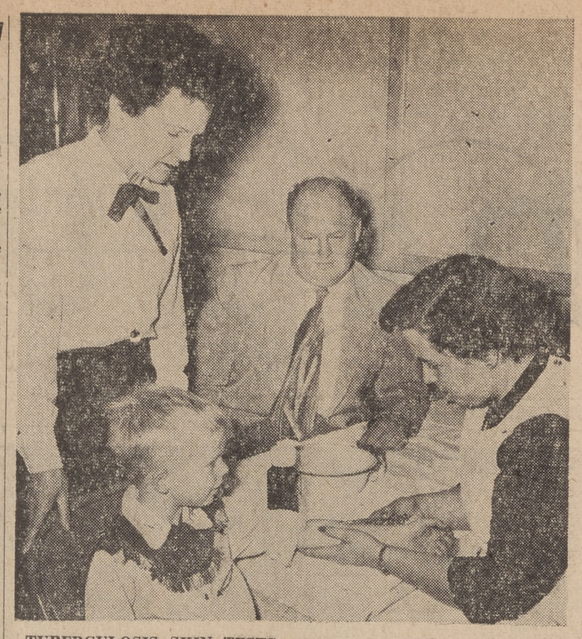

Roadside interviews will be taken only on Tuesdays, Wednesdays and Thursdays, and it is contemplated that drivers of approximately one-tenth of the passenger vehicles will be interviewed. Healy said that each interview will take about one minute.

WHILE THE COMMUTER checkup is under way, engineers will make "time and delay" checks, to determine the time consumed by people in moving between points within the study area, Healy said.

"Sample rides by automobile along the highways crossing the cordon lines will be made between Union Square in San Francisco and the principal communities within the nine counties of the Bay Area," he explained.

"Similar riding checks will be made on the mass transit services, and these times will be adjusted to include the time required from the respective terminals to Union Square.

"Union Square will be the basis of time for all movements throughout the area. Time contours will be developed for movement by each type of transportation, permitting a comparison in terms of travel."

TUBERCULOSIS SKIN TESTS were given children at Montecito School recently by the County Health Department. Second grader Gary Garratt receives his shot, with County Public Health Nurse Jo Hendrickson (right) acting as "master of ceremonies." Standing at left is Public Health Nurse Kay Dorin, while Principal Fred Davidson looks on. Montecito School is one of the three in the county participating in the "tuberculin testing" study, under direction of Dr. Glen Kent, tuberculosis control officer with the health department. — SUN Photo by Mattson

EBMUD Asks Prompt Rezoning

(Continued from Page 1)

has heretofore filed and presented and respectfully requests that its application for rezoning be approved by the commission as promptly as possible."

DEPUTY DISTRICT Attorney Matthew Walker said Wednesday that in his opinion rebuttal by the Orinda Planning Committee is now unnecessary.

"I haven't seen the EBMUD letter yet, but it would seem that rebuttal is unnecessary if there's nothing to rebut and that the matter now stands submitted."

As specified at the hearing, the Orinda Planning Committee would have had five days, after EBMUD's 10-day answering period, to submit a rebuttal.

JOHN W. McFARLAND, EBMUD general manager, who returned early this week from a week in Washington, D.C., said Wagner's letter "expresses just about completely anything we have to say on the matter" and that "there seems to be no particular reason for going further into arguments back and forth."

"Frankly, I haven't had a chance to look into the Orinda Planning Committee's report," he continued. "The map-outline of Professor Violich is interesting but doesn't in any way alter our request. Wagner has reviewed the Orinda Planning Committee report with our other officials.

"Regarding that map: Obviously, if somebody would come to us tomorrow and say, 'We want the Pine Grove and the adjacent land for community property, here's the check,' we'd sell the land. But it's obvious that that's not going to happen. As things stand now, working out an arrangement for such use of the land would mean months, even years."

REGARDING THE suggestion of an expanded Village shopping section, McFarland said:

"In the business area strip proposed for the west side of the present San Pablo Dam Road, the creek and the topography seem to have been ignored, or else it seems it is contemplated that the entire area be culverted and filled to a level.

"The creek makes it almost impossible to have a big shopping area there unless it is all culverted. Our engineers studied that problem four or five years ago and come to the conclusion that such a development is unfeasible. Maybe it would be 50 years or so from now, by culverting the entire creek and filling over."

RELOCATION OF San Pablo Dam Road was described by McFarland as "a separate matter."

"We're doing everything we can to cooperate in the study on possible relocation of the road," he said. "But the relocation is not connected with zoning.

"In many ways the road relocation might be a big advantage to us and we would like to see it. If the road is relocated somewhat later, it might be quite important. But it still wouldn't affect business development.

"AN IMPORTANT FACTOR is that no one is going to know what we're in for in connection with this road relocation until cost estimates have been prepared. I think there'll be quite a shock when the cost estimates do come up.

"At the January 20 meeting at his office, County Road Commissioner Victor W. Sauer mentioned $200,000 as the possible cost of relocation just behind the Village, to a point near Orinda School. Relocation all the way to the Interchange ramp would probably cost much more. And the funds, whether $200,000 or considerably more, wouldn't come out of county road bond funds but would probably come out of general road funds.

"The EBMUD board has not taken a stand one way or the other on the relocation. It's up to the county, and we'll go along with whatever the county wants to do."

'The Man who can Fix it! Lighters or Razors -- Bing's

Want something fixed?

There's a man in Orinda who can probably do it for you. And if he can't fix it, chances are he'll invent something that will do the job a little better and won't get out of whack quite so easily.

Wilbur Crosby, whom more people know as Bing, is a combination post office worker, inventor and fix-it man. But his heart is in the inventions.

He got his first patent in 1932 on an electric ice cream freezer, but he probably got his inspiration from his father, who was also an inventor.

MOST PEOPLE in Orinda know Bing as the gentleman who will be glad to fix your electric razor or your cigarette lighter, and indeed, he can. He has fixed up a little shop across from the Orinda post office and is now going strong.

In the process of being patented is a small vacuum to replace the barber's whisk. Not one to go ahead without knowing what he is doing, Bing had it given a trial run. "Bill Hillman tried it out down in the Village and it worked fine," he said.

A big novelty company is asking for models as his attachments will turn the company's hair drier, already on the market, into a triple purpose machine.

"Once you have a patent, or are sure of it, they really want to talk business," he commented. "They can go to work without delay."

BING NOTED, though, that inventing is not all "gravy," but can be costly. For example, a model blower he made cost $1400, plus $150 for a patent lawyer's investigation and $35 for drawings for the patent offices. After all this, $30 more for the patent fee.

Bing keeps the cost down much of the time by making most of the parts he needs by hand. He keeps on hand a generous supply of small files, saws and hand tools.

The one thing he thinks of rather wistfully is a small lathe. He knows he could work much faster with one and commented "sometimes I'm up 'til one in the morning. Just don't notice the time — and this work takes plenty."

HE HAS ALREADY patented an electric meat saw which works on the band saw principle, and he is working up a vending machine which dispenses colored slides and a viewer. He figures it would go well at resorts and vacation spots.

He is also showing the post office department a machine which handles postal money orders. A little something for the house is a spring-actuated doorstep which stops the problem of trying to keep a door in place.

But one memory of which Bing is very proud is his trip at the throttle of an engine on the Cotton Belt Line. His brother is an engineer, and Bing hasn't forgotten that experience yet.

It's almost better than inventing.

Furst To File For JC Trustee

Harold Furst of 3324 Moraga Boulevard, Lafayette, announced yesterday that he will file his declaration of candidacy for Contra Costa Junior College District trustee next week.

He will be a candidate from Ward 4 of the district in the May 21 election. The post is now held by O. J. Wohlgemuth of Walnut Creek, whose term is expiring.

Up to 1:10 p. m. yesterday, no one had filed for the post. Candidates have until April 21 to file with county superintendent of schools.

Furst, 36, is past president of the Lafayette Improvement Association, has been chairman of that organization's incorporation study committee the past two years and has been a director of the association since 1945. He and his wife, Carol, have lived at their Lafayette home 13 years.

He was a member of the faculty of the School of Business Administration at the University of California and an administrative officer at the university for about 10 years until September, 1952, when he assumed his present position as regional economist for the Bank of America in San Francisco.

'I want to continue my service to the community," Furst said, "and I feel that by both training and experience I am fitted for the junior college trusteeship."

Please write us news about your family, friends, clubs and interesting events. If you see something important, call at once.

More Dynamic School Civil Defense Told

By BILL STANTON

A better planned and more active Civil Defense program than is now in operation in any local school district is outlined in a manual distributed recently.

Titled "Civil Defense in California Schools," the 105 page handbook was prepared jointly by the State Department of Education and the State Office of Civil Defense.

A recent survey revealed great differences in the programs operating in local districts. Air raid drill programs ranged from no drills in one district to a fairly regular program in another.

NO DISTRICT reported a degree of planning and coordination suggested in the new manual.

The handbook draws lines of responsibility and outlines a detailed program and procedures. It suggests methods of coordinating school and community programs.

In addition, it contains a 25 page section on methods of including Civilian Defense education in regular courses and lists more than 50 training films available.

The manual contains recommendations for the solution of the problem caused by the "glass walls" in the schools in this area. It also provides instructions about children travelling to or from school.

In the survey, one district had complained that instructions on procedure to be used when pupils are in transit were unclear.

A more general complaint, lodged prior to publication of the handbook, was Civil Defense instructions were different, "depending on who you talked to."

ANOTHER COMPLAINT indicated in the survey was a lack of coordination and action by local Civil Defense authorities. The handbook says a school program is the joint responsibility of school and community Civil Defense authorities.

The basic protection procedure of the pupil in case of a surprise attack is called "duck and cover" by the manual. It recommends frequent drills and that students be trained to duck and cover when they see an intense bright flash.

Duck and cover instructions contained in the manual are:

1. "Get shielded at the instant of flash. There is usually something for shelter such as a desk, a chair, a table, a ditch, a tree, a wall, etc. Duck away from flash. When possible stay out of line with windows etc.

2. **"TO KEEP** from being tossed about and to lessen the chances of being struck by falling and flying objects, flatten out close to, but not tight against the base of a wall or at the bottom of a bank. Shield the face and eyes in the crook of an elbow. If possible, cover the back of the neck and head with coat collar or any handy material; otherwise, place the free hand over the back of the neck and base of the skull.

3. "If space is too limited for the students to flatten out, have them kneel facing away from the probable direction of the blast, knees together, head bent forward and down, face and eyes protected with the hollow of the arms as they are folded and resting on the floor in front of the knees. It is advisable to protect the back of the neck and head with clothing within reach."

The same preparedness is not necessary in all areas, the handbook points out. The completeness of the program must be determined on a local level, primarily on the basis of closeness to a target area, and in cooperation with local Civil Defense agencies.

THE ONE POINT on which the handbook does not take a strong stand is whether or not windows should be closed during an attack. It points out there are advantages to open and closed windows and says the state favors the closed windows to cut down on possible exposure to "contaminated air" in case of atomic attack.

A completely planned program, where school and community needs are both considered is emphasized by the manual. It also emphasizes "confidence in the school's plan is necessary for both successful operation and the mental health of the children if disaster should strike."

It points out confidence is best developed through training and participation. Important recommendations made in the manual are:

SCHOOL BOARDS should adopt the "California Disaster and Civil Defense Master Mutual Aid Agreement." This agreement has been adopted unanimously by counties and by almost all cities in the state.

The agreement makes it legally possible for schools to cooperate with other schools, cities and counties on Civil Defense matters with a minimum of red tape.

"Following this, the board should develop a plan providing for its disaster and Civil Defense operations and the integration of its plan into the plans of surrounding districts and political jurisdictions."

INTEGRATION OF plans would involve such decisions as what use could be made of each school building after an air raid. Schools are readily adaptable to use as emergency hospitals and mass care centers, etc.

In addition, school bus fleets can be used to transport people following an air strike.

(Civil Defense officials have stated the local area would probably serve as an evacuation center for people from Bay Area industrial centers).

However, school officials should attempt to get other large buildings as lodges, churches etc. designated for these purposes too, so that schools may be returned to normal use as soon as possible.

The superintendent of schools is responsible for initiating, encouraging and supporting the development of a Civil Defense program for his schools. It is usually desirable to appoint a district defense coordinator.

School and local authorities should reach agreement on:

1. **ALERT** systems.

2. Action by schools on receipt of yellow (attack probable), red (attack imminent) and white (all clear) warnings.

3. Uses of each school building.

4. Designation of a responsible person for each site who will have keys in case buildings are needed for disaster purposes after school hours.

5. Furnish authorities with plot plans and Civil Defense plans of each site.

The program set up should provide instructions so each school can operate independently if necessary.

School districts should set up Civil Defense councils to act as a consulting body on civil defense problems.

ALL SCHOOL personnel, as public employees, must act as workers for Civil Defense, according to law. Compensation insurance during Civil Defense work is provided by the state at no cost.

School boards should designate their buildings as shelters as owners are not liable for occupants of such buildings during an air raid or air raid drill.

Principals at each school are responsible for the program at the school, and should appoint a civil defense coordinator if unable to spare enough time to do an adequate job.

Shelter areas should be chosen after a survey of each school by a competent expert in the field. After being chosen the rooms should be marked and the approaches to the room and the pupils to use each room planned.

THE BASIC JOB in each school is to be performed by each teacher who acts as warden. The teacher should be trained in his duties and properly equipped to care for the children during an emergency.

"It is the responsibility of the school to inform adults of the part the school plays in protecting children in preparing them to meet the impact of emergency situations."

The Civil Defense director at each school should appoint heads and alternates for the following services: warden, fire, police, health, engineering and welfare.

The welfare service is particularly important in an area which is scheduled to handle evacuees from other areas. Responsibilities include provision of basic needs as food and shelter for a short period.

In addition, the district should have lists of available substitute teachers and facilities in case of an influx.

Welfare services should attempt to make the transition easy for new pupils.

A fire prevention program should include the assignment of areas of responsibility, training in use of equipment and the provision of fire fighting equipment.

FIRE DRILLS should be held during air raid drills so the difference in signals is completely clear.

A police service would be primarily for the movement of traffic, if this might become a problem.

The first aid director should plan the health services program, establish first aid stations, appraise supplies and equipment and provide enough for emergencies.

In addition the director should arrange first aid classes, coordinate school and community health programs, organize stretcher teams and train self in special disaster health problems.

THE ENGINEERING director should inventory tools and protective equipment, and become familiar with the physical plant in order to make repairs and rescues.

The social welfare director should also provide for emergency food and water supplies, establish case record systems, establish system for taking pupils home and establish morale programs.

All staff members and some students should be trained in first aid.

Students should be used in the program as much as possible. First, this provides a source of manpower. And second, students who have something to do are less likely to panic than those sitting around just waiting.

One of the most difficult problems is protecting students traveling to and from school. A house in each block along routes should be designated as shelter and used as such.

IF STUDENTS ARE on a bus when a red warning comes, the driver should tell them to duck and cover and then cover himself. If he is very near a shelter and there is time, he should drive to the shelter and unload.

It is suggested PTA cooperation be sought in establishing shelters for students enroute to school.

In case of a yellow warning, the driver should take children to shelters.

Where there is a great deal of glass in a school room, some of the hazard may be eliminated by replacing some glass with soft fibreboard, covering windows with fireproof heavy drapes or by placing a wire mesh on the inside of the windows.

But of primary importance to the whole program is that all concerned be clear on what to do before attack, during attack and after attack.

Thomas Hearing To Be March 23

County Planning Commission hearing on Dr W. F. Thomas' application for rezoning of his property at the southeast corner of Moraga Highway and Southwood Drive so that a Shell service station could be built there was continued Tuesday night of March 23.

The postponement was at the request of the applicant, according to Associate County Planner George Brenner.

A protest petition by area property owners was presented to the commission by Tom Stevens.

Dr. Thomas is requesting rezoning from Residential-Agricultural to Retail Business.

Happy Birthday

DAVID HENRY

David Henry, son of Mr. and Mrs. A. D. Henry, 42 Brookside Drive, celebrated his 4th birthday February 6 with a luncheon and games for his friends.

Susan and Nancy Henry, assisted by Barbara Bowman and Patty Boehm, helped David and his guests with fishing games, musical chairs and saw that each small boy took home a bag with the valentine trophies he made.

Guests included Steven Bowles, Hank and Drew Fernsten, Brian Rossi, Jimmy Hunn, Buzzy Boehm and Marshall Snover.

PATTY STARKMAN

Patty Starkman, daughter of Mr. and Mrs. Ernest Starkman, celebrated her 7th birthday March 6 with a spring party.

Games, prizes and cake with ice cream were enjoyed by her guests including Alice Willliams, Pamela York, Arlene Winkler, Sherry Wallace, Sally Kocher, Reidun Baillie, Linda Healy, Sharon Campbell, Nicki Du Puis, Susan, Roslynn and Greg Starkman.

WHAT'S DOING
George A. Bauslaugh, your Telephone Manager in Orinda

Telephones for the hard-of-hearing

Did you know a special telephone is made for people who don't hear well? It looks just like other telephones, but you can adjust the volume to "low," "medium" or "high" simply by turning a little button, as shown in the picture at right. And of course the volume can be easily turned back to normal if you wish. This telephone is available to those who need it. It is an example of the way we try to bring more and better service at the lowest possible cost to everyone. **Pacific Telephone works to make your telephone a bigger value every day.**

Free Booklet for your personal telephone numbers

You can have the local or long distance telephone number you want right at your fingertips with this free booklet. It'll help you find numbers more easily, complete your calls faster. For a copy, just call, write, or drop in to your local Pacific Telephone business office today.

An extension telephone for your home

For just pennies a day, you can enjoy the convenience of an extra telephone. In the garage or basement . . . in your bedroom, or kitchen, an extension telephone saves steps, saves time. We offer this service once again because extensions require only additional telephone sets, not central office facilities. To order your extension, call your local Pacific Telephone business office.

Record Crowd of 5000 Attends Annual Meridian District's Boy Scout Show

By MILDRED LLOYD

A record crowd of nearly 5000 visitors attended the Annual Scout Exposition of the Meridian District, Boy Scouts of America, at Acalanes High School last Saturday.

Because more than 50 individual exhibits were displayed by scouting groups, it was necessary for the three large rooms at the high school to be used for this year's exposition. Booths were set up throughout the Boys' Gym, the Girls' Gym and the Cafeteria.

Each room contained a complete show. Colorful demonstrations of skills and achievements by Cub Scouts, Boy Scouts and Explorers were presented.

ACCORDING TO John Youmans, Meridian District scout executive, participation of boys of all three age groups was particularly outstanding. Before the opening of the show at 3 p.m., scouts and their leaders had been working since morning, arranging booths, posters and exhibits. Representatives of each unit were on duty in full uniform throughout the six hours of the exhibition.

Tom Mika of Orinda, district camping and activities chairman, was in charge of arrangements. Glenn Gleason of Walnut Creek was master of ceremonies.

The show was opened by Boy Scout Troop 220 of Walnut Creek, and Troop 226 of Walnut Creek conducted the closing ceremonies, following the awarding of ribbons of merit.

Ribbons denoting Proficiency were awarded to Cub Packs 6, 32, 36, 38, 43, 45, 52, 53, 57, 58, 59, 79, 200, 202, 203, 209, 220, 222, 229, 244, 238 and 243. Packs 78 and 225 received the red ribbon of Standard rating

AMONG THE BOY Scout troops receiving the Proficiency blue ribbon were 200, 201, 202, 206, 207, 209, 210, 212, 214, 220, 222, 223 and 224. Troops 216, 217, 226, 231 and 237 won the Standard award, while Troops 204 and 215 received a yellow ribbon for participating.

The Explorers' ratings included Crew 217 and Post 306, Proficient; Post 303, Standard, and Ship 203, Participating.

Troop 212 of Canyon, sponsored by the Canyon Community Club, chose Camping for its merit badge demonstration.

THE NEW NATURE badge requirements were demonstrated by Troop 207 of Orinda, sponsored by the Orinda Lions Club.

Firemanship was the merit badge demonstrated by Troop 209 of Pleasant Hill, while a realistic First Aid exhibit was put on by Troop 220 of Walnut Creek.

Tall towers lashed together from natural materials furnished signal posts for the scouts of Troop 200 of Orinda in their demonstration of the Pioneering merit badge. This troop is sponsored by Orinda Rotary. Troop 224 of Lafayette, sponsored by the Springhill Road Improvement Association, and one of the youngest troops in the area, gave an exhibition of Electricity, with each scout demonstrating his own project.

Sea Scout Ship 203 of Lafayette was building a boat for demonstration purposes throughout the exposition. This group is sponsored by Lafayette Rotary.

OUTSTANDING IN originality and color was the Astronomy exhibit of Troop 226, sponsored by the Walnut Creek Presbyterian Church. Visitors peered into a darkened room where the solar system was shown by fluorescent spheres and rings.

Another group with a First Aid merit badge exhibit was Troop 237, sponsored by the Orinda Lions Club. Pioneering was exhibited by Troop 231 of Pleasant Hill, sponsored by the Walnut Creek Methodist Church, with the exhibitors inviting visitors to walk across their bridge constructed of natural materials.

Leatherwork was shown by Pleasant Hill Troop 215. One of the merit badges set up under the new requirements for Life Scout was demonstrated by Troop 222 of Walnut Creek — Soil and Water Conservation. This group is sponsored by the Kiwanis Club.

HOME REPAIRS was the merit badge chosen by Troop 202 of St. Paul's Episcopal Church, Walnut Creek. A camping exhibit was put on by Troop 210 of Our Savior's Lutheran Church, Lafayette.

American Legion sponsored Troop 201 of Walnut Creek showed the skills necessary for the Woodworking merit badge. Scouter Crew 217 of Gregory Gardens demonstrated "Survival in the Arctic" with a tent set up for the colder regions.

A model of the ideal setup for Camping was presented in the booth of Troop 214 of Walnut Creek, sponsored by the Elks Club. An exhibit of the hazards of everyday living was shown by Troop 217 of Pleasant Hill in its exhibition of the Safety merit badge, while Troop 223 of Happy Valley, Lafayette, gave a series of demonstrations on Home Repairs.

Troop 204 of Lafayette erected an exhibit on Hiking and posted a sign stating that the boys were unable to be present as a troop since they had gone to the mountains on a ski trip.

Post 303 of Walnut Creek demonstrated the merit badge requirements of Crafts and Skills.

A NEW FEATURE at this year's exposition was the Order of the Arrow, an honorary group of scouts who have proven themselves in outdoor activities. This organization, called the Ooyumbuli Chapter in this area, is directed by Ray Van Tassel, former district commissioner. It exhibited authentic copies of the costumes of the early Contra Costa County Indians.

Each cub pack put on exhibits of crafts and handiwork.

Pack 220 of Lafayette stenciled "Caution, Children at Play" signs that the boys will put up along their own streets as a unit safety project. Stamp collecting was shown by Pack 58 of Pleasant Hill.

WALNUT CREEK'S Pack 59 demonstrated the decorating of ordinary bottles with twisted crepe paper, while Pack 200 of Lafayette gave a large variety of demonstrations, with each den showing its own special craft. Orinda's Pack 52 demonstrated metal work, and Pack 234 of Walnut Creek did leather work.

Pack 43 of Walnut Creek had a tent in which the cubs and their den mothers made Indian costumes, and Pack 202 of Gregory Gardens fashioned feather headbands.

Textile painting and other craft work were created by Cub Pack 38 during the evening. Rotary-sponsored Pack 6 of Walnut Creek made leather belts.

Members of Pack 45 of Pleasant Hill did woodwork in front of a large Liberty Bell. Writing with rope was demonstrated by Pack 243 of Pleasant Hill, while Pack 225 of Orinda had an exhibit of Indian craft.

Sun Valley's Pack 79 worked on the making of scrapbooks, and Pack 206, sponsored by the Exchange Club of Walnut Creek, decorated match covers. A puppet show was given by Pack 32 of Orinda.

Pack 78 from Happy Valley had a large craft exhibit.

ONE OF THE newest cub packs, No. 238, sponsored by the Glenside Improvement Association, demonstrated braiding of rope and string.

Pack 229 of Oak Park had a very young magician busily demonstrating his skills in front of an exhibit of craftwork. A basket-weaving demonstration was put on by Pack 222 of the Hillcrest Congregational Church. Model airplanes were exhibited by Pack 203 of Gregory Gardens, sponsored by the Parents Club, while Pack 57 of Moraga and Canyon demonstrated metal and leather work.

Exhibits were also put on by Cub Packs 36, Troop 206 and Post 306 of Danville and Pack 53 of Alamo.

'Christ Jesus' Sermon Sunday

That the remedy for hatred, selfishness and greed is found in the love of God, as taught by Christ Jesus, will be emphasized at services Sunday in the Churches of Christ, Scientist, at 42 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek.

In the Lesson-Sermon entitled "Christ Jesus" passages read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include:

"If we wish to follow Christ, Truth, it must be in the way of God's appointing . . . All nature teaches God's love to man, but man cannot love God supremely and set his whole affections on spiritual things, while loving the material or trusting in it more than in the spiritual.

"We must forsake the foundation of material systems, however time-honored, if we would gain the Christ as our only Saviour" (326:-3-4, 8-14).

This pasage from the Bible will also be among those read: "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth" (Isaiah 52:7).

Please write us news about your family, friends, clubs and interesting events. If you see something important, call at once.

GOOD COOKIES FOR A GOOD CAUSE — Diablo Valley Area Girl Scout Council's annual Cookie Sale starts tomorrow. As Mrs. Robert Beconcini of Orinda (left), Diablo area cookie chairman, looks on, her 6-year-old daughter, Diann, next to her, reaches eagerly for a box of the cookies from her sister, Kathy, 9, who is a member of Brownie Troop 184. Behind the cookie-laden table are Sharon Glotfelty of Lafayette (left), member of Intermediate Girl Scout Troop 77, and Barbara Gray of Walnut Creek, member of Senior Girl Scout Troop 6.
— SUN Photo by Mattson

It's Girl Scout Cookie Time Again . . .

It's Girl Scout Cookie time again.

Tomorrow the annual Cookie Drive starts. All Brownies, Intermediate and Senior Girl Scouts of the Diablo Valley Area will canvass their homes, neighborhoods, relatives and friends, to do their best to top last year's sales.

The cookies are packaged and sell for 45 cents a package. They will keep indefinitely in a freezer.

TROOPS WILL KEEP 50 cents a case for their own treasury. This is double the amount of last year. The remaining profit on each case is turned over to the Girl Scout Council and will go toward a day and troop campsite.

The Cookie Sale will last until March 20, and girls will make return neighborhood visits throughout the sale. The cookies are the filled sandwich type, and are delicious for school lunches, meeting and party refreshments.

GENERAL AREA cookie chairman is Mrs. Robert Beconcini of Orinda. District chairmen are:

Alamo: Mrs. J. Orr Kyle; Danville, Mrs. Ernest Rose; Pleasant Hill, Mrs. M. J. Lucas; Walnut Creek, Mesdames Mary Lowell, Dorothy Hamilton, Betty La Bare and William Kinney; Lafayette, Mesdames Miriam Skei, Jack Schneider and Robert Ferro; Orinda, Mesdames William Mott, Elcey Keresey and Andrew Knudsen; Lafayette Brownies, Mrs. Janet Kauffman; Ygnacia Valley School, Mrs. Wiliam Bogart.

British Consul to Address Meeting

Sir Robert Hadow, British Consul General, San Francisco, will speak on foreign policy problems at Las Lomas High School, 8 p. m., March 11, in the first forum-lecture of the benefit series "Our Foreign Policy, Success or Failure?" sponsored by the Acalanes Education Association, Acalanes district teachers' organization.

Sir Robert, replacing Thomas Stewart Tull, formerly slated to appear on the program, will share the rostrum with Dr. Robert Scalapino, Associate Professor of Political Science, University of California.

This first forum-lecture, one of a series of three, will deal with the problem of Red China. Dr. Scalapino has just returned from a 16-month study of the Far East.

Sir Robert Hadlow, recently knighted by Queen Elizabeth, has been in the British Diplomatic Service since 1919 and has served in Iran, Turkey, Canada, Austria, Czechoslovakia and Washington, D. C.

A one-dollar ticket for the three lecture series will provide proceeds for dispersal to underprivileged children of India through Save the Children Federation, an officially-accredited, non-profit, relief organization.

World Prayer Day To Be Observed

The World Day of Prayer, an observance of international scope will be observed in the Orinda, Lafayette, Walnut Creek area by a combined service at 10:30 a.m. next Friday, in the Walnut Creek Presbyterian Church, Oakland Boulevard and Lacassie Street, Walnut Creek.

This observance of the all inclusive hour of prayer is being sponsored by the Ministerial Association of Walnut Creek of which Reverend James Upshaw is president. Many of the churches in this district are combining their efforts to make this meeting successful.

Hiss Dorothy Wagner, Western Area Secretary for the Board of Foreign Missions of the Presbyterian Church, and a dynamic speaker will be the leader for the "Hour of Prayer."

Theme for the day will be "That They May Have Life" from John 10:10.

Texts Are Topic

Use of new state language texts will be the topic of a meeting to be held at Stanley School in Lafayette at 4 p. m. Monday for Contra Costa County school teachers.

Typical Home is Acclaimed by RE Board, Public

"We have learned a great deal about handling sales of custom built homes and we feel we are now better equipped to serve the public in a more efficient manner," Lawrence Wallace said this week referring to the Contra Costa Real Estate Boards' typical home project.

Built through the education committee headed by Wallace, the home was opened in Lafayette February 1.

Designed by the Orinda architectural firm of Coleman and Smoot, the home incorporates many desirable features plus a number of unusual and practical innovations. It is wired to handle not only present requirements but to take care of future electrical needs.

It has been acclaimed an outstanding success by not only the buying public but also by educators and officials in the real estate field, Wallace said.

It will remain open for inspection until April 1 and is being shown by different realtors and salesmen of the board.

Cancer Crusade to Begin in April, Planning Begins

Mrs. H. J. Frolich of Orinda, Mrs. Jack Varner of Walnut Creek and Mrs. William Link of Lafayette were among volunteer workers who this week began planning the annual Cancer Crusade.

The Cancer Crusade will begin April 1. Traditionally, April is designated as "Cancer Control Month" by the President and Congress of the United States, by the governor and by mayors and boards of supervisors throughout the state.

DURING THE campaign period, the Contra Costa County Branch of the American Cancer Society will intensify its year-around educational program which stresses the need for early treatment of concer, according to Campaign Chairman Irving H. Magill of Walnut Creek.

"Thousands' of lives already are being saved each year because cancer's victims are getting to their doctors in time," he said.

"As a result of advances which have been made in medical science, many cases of cancer are being cured which only a few years ago would have been lost."

"DURING APRIL we intend to use every means posible to call to public attention the need for early recognition of the symptoms of the disease.

"In one way or another we hope to reach into every home in Contra Costa with the life-saving message of the American Cancer Society."

School Programs Called a Scandal By M. J. Adler

"Education in an Industrial Democracy" was the topic of a lecture by Dr. Mortimer J. Adler, international educator known for his work on Great Books coursese, at St. Mary's College last Thursday.

Adler described current school programs as "a scandal." He charged that students are not offered programs to develop their capacities so that they may become good democratic citizens.

Too much attention is being given to vocational training, Adler said. He singled out schools of education in universities as the source of prevailing inadequate programs.

"I would destroy the education schools at the University of California, Columbia University, the University of Chicago and Harvard University," he said, implying that similar schools in other universities would soon be dropped if this were done.

Nearly 500 residents of Contra Costa County, students and St. Mary's faculty members heard the hour and one-half long lecture.

Among these were Mario Menesini, science instructor at Las Lomas High School; Mrs. LuRene Mattson of Lafayette; Frederick C. Kracke of Walnut Creek; Mrs. Robert Boyle of Orinda; Robert Kahn of Lafayette, Paul Stafford of Orinda and Robert Love of Walnut Creek.

Education's March Is Breakfast Topic

"Education on the March" was the topic presented by Duncan B. Campbell, field coordinator for the real estate program of the University of California extension service, to the Contra Costa Realty Mart breakfast Monday morning.

The Women's Division met at noon yesterday for luncheon.

Delinquent Boys Camp Endorsed By Schoolmen

High school principals have endorsed a rehabilitation camp for delinquent boys in Contra Costa County.

Action was taken at a recent meeting of the Evaluation Committee, a six year-old organization of high school principals, including Richmond, and representatives of Contra Costa Junior College.

The organization, of which B. J. Callaghan, superintendent of Liberty Union High School, Brentwood, is chairman, endorsed the camp on the basis that preventive measures which can be taken locally are more desirable than the procedure of sending boys to schools of correction.

Principal Arthur Bloom, Pleasant Hill High School, where the meeting was held, reported on a boys' camp in Riverside County. He characterized it as highly successful and capable of positive results.

Birthday Honored At Diablo Area USO Festivities

Diablo Area USO Sunday afternoon featured the George Washington theme during weekly festivities at Walnut Creek Recreation Center in the City Park.

Mrs. Charles Paul, director of Junior hostesses, said about 35 young ladies wore their Sunday best to greet the 70-odd servicemen in an atmosphere of liberty bells and red, white and blue trimmings.

The next party is scheduled Sunday 1:30 p.m. to 8 p.m., when refreshments will be supplied by the VFW Auxiliary, Post 7722. Also, dancing, community singing. a variety show and games are planned for guests. All servicemen are welcome.

At the February 21 occasion, a large cake decorated with the American flag was donated by the Cake Box Bakery of Pleasant Hill. Refreshments were served by the American Legion Auxiliary of Lafayette, with Mrs. Earl Gustafson in charge.

Diablo Area USO is in need of additional hostesses, announces Mrs. Charles Paul, hostess director. Youn Charles Paul, hostess director. Young ladies in the age group of 17 to 30 are generally acceptable, she said, and all activities are conducted under proper supervision.

Prospective hostesses are invited to call Mrs. Paul at YEllowstone 4-4198 for further information; or they may attend the hostess meeting March 7 at 1 p. m. in the Walnut Creek Recreation Hall.

Rev. Shaner To Participate in Jewish Service

The Jewish Community Center will hold religious services tonight at 8:15, in the Center building on Mt. Diablo Boulevard, Lafayette.

The services will be conducted by Mr. Fred Katzburg, chairman of religious affairs, and, in honor of Brotherhood Week, the sermon will be delivered by Reverend Harry E. Shaner of the Lafayette Community Church.

The Center choir, under the direction of Mrs. Norman Daneiko, will be heard for the first time at these services. Members and friends are urged to attend.

Red Tag Days March 4-5-6 — Top 'Buys'

Values galore will be awaiting you in stores throughout this area during the fourth annual Red Tag Days Thursday, Friday and Saturday of next week — March 4, 5 and 6.

Sponsored by local merchants, The SUN and the Contra Costa Shopping News, the event will offer you the opportunity to buy real bargains.

WHATEVER YOUR household and personal shopping needs are, you'll find what you want at specially reduced prices.

The merchandise will not be "surplus" commodities that storekeepers want "to get rid of." Every item in the Red Tag Days sale will be in the regular stock, marked down for this occasion.

SPECIAL WINDOW cards at all cooperating stores and red price tags inside the stores will serve as your "guides" during the annual event. So be sure to notice these cards and tags, and to take advantage of the bargains they list.

Also, don't forget to study the advertisements in The SUN and the Contra Costa Shopping News.

Circle March 4, 5 and 6 on your calendar — the fourth annual Red Tag Days are something you can't afford to miss!

AMPLE PARKING ACROSS THE STREET — CARRY OUT SERVICE

CASING THE JOINT in order to find out where to duck in case a sudden emergency arises, (what do you think they will find up there?) are the new students at Acalanes High. They are, left to right: 1st row; Karen Hillyard, Shirley Cutler, Sandra Fuller, Ron Dinkel; 2nd row: Jackie Miller, Betty Mitchell, Dick Walker, Robin Muse; 3rd row: Gary Williamson, Jim Dinkel, Lee Cutler.

$4,000,000 Bond Issue OK'd by Sanitary District

Central Contra Costa Sanitary District directors last week set the amount of the bond issue to be held in April at four million dollars.

Previous estimates had run between 3½ and 4½ million. Plans were also made to contact improvement clubs, the Contra Costa County Taxpayers Association and the Citizens' Advisory Committee and arrange a meeting March 11 to explain the purpose of the bond issue.

Ten precincts were established, the maximum allowed by law.

In other action, William F. Beckett Jr. of Orinda asked the board to file condemnation proceedings against an adjoining property owner on Brookwood Road to permit establishment of an easement.

The matter was turned over to attorney for the district John Nejedly for further study.

The board will meet again Thursday night.

Westival Contest Winners Namd

Winners have been announced of the contest at Lafayette School which was aimed toward getting parental help for the coming Westival.

The children were given lists of Westival activities where volunteers would be needed. These lists were to be taken home and checked by parents who felt they could give some time to one or more of the projects tabulated. The class which returned the most lists would be the winner of ice cream for everyone in the room.

The response was extremely gratifying. Bernard Bloom's fifth grade was the undisputed winner with a 100 per cent return. However, four other rooms were so very close to a perfect showing that it was decvided to declare them the beneficiaries of free ice cream, too.

The lucky classes were Mrs. Hattie Conzelman's second grade, Mrs. Margarie Johnson's fourth grade, Mrs. Clara Christian's fifth grade, and Miss Verah Shafsky's fourth grade.

Please write us news about your family, friends, clubs and interesting events. If you see something important, call at once.

Children's Film 'Arizona Cowboy'

An exciting story of the west will be featured in the Children's Approved Matinee tomorrow at the Park Theater.

Doors to the theater open at 1:45 p. m. and the film, "Arizona Cowboy" will be shown following a group of cartoons which will begin at 2 o'clock. This is the story of a rodeo performer who goes to town to clear his father of a false charge and finally brings the villains to justice.

Members of the Vallecito PTA unit will serve as contact chairmen fo rthe Lafayette Motion Picture Council during this matinee. Mrs. Dale Stoops and Mrs. H. T. Olson assisted last week.

Beck Wins Records

Robert Beck, 1066 Stuart Street, was among the winners of the Glenn Miller contest recently sponsored by a San Francisco paper.

Beck will get $25 worth of records of his choice.

Dad's Club, PTA to Discuss Health

The second joint meeting of the Lafayette Dads Club and the Lafayette PTA will be held Wednesday, 8 p.m., in the Town Hall under the leadership of Mrs. R. H. Lockey, PTA president, and Tony Barante, Dads Club president.

The theme is "Health Therapy" and will be under the direction of Mrs. William Dorsey, health chairman for the Lafayette PTA unit. Mrs. Donald Krotz of Orinda will speak as a representative of the Mt. Diablo Therapy Center. She will tell of the outstanding work of this unusual organization which brings help to many children and adults in this area.

Other features will include dancing numbers by Terry Towers, a group of piano selections by Loretta Scalinetti and numbers played by a Hawaiian Trio ,according to Barante.

Refreshments will be served by room mothers of the first grade classrooms under the direction of Mrs. Vince Lombardo, tea chairman.

They will be assisted by the refreshment committee of the Dads Club.

Among those who will serve are Mesdames Udo Hinck, John Helm, W. Lloyd Hendricks, John J. Bruner, Robert Harrigan and John Doane and Karl Rodebaugh.

New Church Group Organizing Here

The first general meeting of persons in the Lafayette-Orinda area who are interested in the establishment of a Presbyterian Church here has been set as a potluck dinner to be held at 7 p.m. next Friday at the Jewish Community Center Building, formerly Planter's Dock, on Mt. Diablo Boulevard.

This supper has been planned by the Presbyterian Fellowship of Lafayette and Orinda and is open to all persons interested.

REVEREND CARL THOMAS has been called to be pastor of the new Lafayette-Orinda church, and he and Mrs. Thomas will be introduced to the community. He has just resigned as assistant pastor of the First Presbyterian Church in Berkeley in order to serve in this area.

Work to establish a Presbyterian Church in Lafayette was started last November by a small group of interested persons, and they have developed their plans under the direction of a Work Committee from the Presbytery including Howard P. Robie of Walnut Creek and Ronald T. White of San Francisco who are representatives of the North Costal Area of the Synod of California of the Presbyterian Church.

A second meeting was held in January at which time the Fellowship was formed. The steering committee includes Messrs. and Mesdames James Leppard of Orinda, chairmen, Vernon W. Frederickson and Ralph T. Hickox of Orinda; Kenneth D. Coleman, Earl Glenk, Mark Valory, Haakon Johnson, and Theodore Ockels of Lafayette.

SINCE A GREAT DEAL OF work is necessary before a church in a new area can be chartered, a group of the Fellowship have taken over the chairmanship of various committees and will obtain volunteers to serve with them.

Chairmen of the committees include: Worship, Mr. and Mrs. Ralph Hickox; Christian education, Vernon Frederickson; publicity and promotion, Mrs. Mark Valory; finance, Theodore Ockles; site, Mark Valory; petition and calling, Mr. and Mrs. Earl Glenk.

Those planning to attend may obtain more information by calling Mrs. Coleman at Lafayette 4248 or Mrs. James Leppard, Orinda 3319.

Tax Adviser in Area Next Week

To assist taxpayers of the Lafayette-Orinda-Canyon-Moraga area in preparing their federal income tax returns, Everett Waddingham, representative of the Internal Revenue Department, will be at the Lafayette Fire House on Moraga Road near Mt. Diablo Boulevard, Lafayette, Monday, Tuesday and Wednesday, 9 a.m. to 5 p.m. each day.

Waddington said that this schedule is the only one for such presence of a collection officer in the Lafayette- Orinda- Canyon- Moraga area prior to the March 15 deadline for filing of returns. No charge will be made for this service.

Dr. Elwin Gerow Attends Convention

Dr. Elwin Gerow will return Monday from a trip to Los Angeles where he attended a convention of the American Medical Association.

Dr. Gerow was gone all this week and attended conferences on internal medicine, new surgical techniques and lectures on new methods of treatment and diagnosis.

Please write us news about your family, friends, clubs and interesting events. If you see something important, call at once.

How to ride in comfort ...AT 2¢ A MILE

One ride in a Chair Car on our modern streamliners will show you how delightfully comfortable train travel can be—and how inexpensive all this luxury is.

For about two cents a mile, on most roundtrip tickets, you get soft-as-a-cloud foam rubber seats...dust-free, draft-free air conditioning... no-glare fluorescent lighting...lots of leg room and move-around room ...extra large picture windows... feather-touch doors... spacious washrooms.

That's why we say that Chair Car travel on an SP streamliner is the most luxurious form of all low-cost transportation. Try it and see!

Freight gets a low-cost ride, too. On the average, we move a ton of freight for about 1½ cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So for fast, efficient and dependable freight service —whether carloads or l.c.l.—call our nearest agent.

About our happy Country Folks

By EDITH BOLMAN

SO—WE SEEMED TO HAVE STARTED an avalanche of amateur poems. As you know, if you ever read this column we have, upon occasion, come forth with a jingle calculated to make Ogden Nash pale with fright and Gertrude Stein sound both lucid and placid.

"A rose is a rose, is a rose, is a rose" is a delightful and pure form of something or other: but we create the earthy type, without rhyme and with scant reason, but inspirational it seems, to other Orindans who harbor a poetic urge but never had the nerve to cut loose.

After reading ours, they scanned their own and promptly gained confidence. The first episode was an ode to one of our lady hunters who had bagged an elk. In answer Mrs. Ernest Fernsten wrote as follows:

To Betty the victor
Goes the golden cup
But we are so lucky
With our seven Golden Labrador pups
I offer a challenge to those rugged hunting gals pluck
Who else can bag a shark with a limit of duck?

And this is how sharks and ducks get mixed

Explanation: The Fernstens have a boat and a duck blind in the Bay. This particular trip they decided to take along a little bait and do some half hearted fishing. After the shoot Mr. Fernsten was out among the bushes gathering in the loot and Mrs. F. baited the line and tossed it over the edge. Pretty soon a tug so Mrs. F. put her gun on safety and started acting like the Dick Weeks and other fishermen she had watched at Guaymas awhile back.

A MIGHTY PULL AND up came a shark. Mrs. F. promptly jumped up on the beach hoping to goodness that "Shark" wasn't as acrobatic as she. Mr. F. was overcome with shock when he glimpsed the unexpected guest.

Shark was put in the freezer and when "Sharing time" came at school (for non parents — sharing is a plan whereby a child takes something of unusual interest to show the class) daughters Karen and Susie aided and abbetted by a couple of helpers, because Shark was four feet long and quite weighty, took him to school and shared not only with their classes but with the entire school. After that the librarian told Mrs. F. they had had a terrific run on books dealing with sharks.

Packing boxes here — packing boxes there — so sayeth Mrs. Robert Neylan who, with sons Jimmie and Patrick, is preparing to move from their Reliez Valley home into the E. H. Brumley house on Katrina Court. The Brumleys have moved to Southern California.

Also the W. E. Davis' have bought the Jack Pohl house in Hidden Valley.

Mrs. Warren Arnett was the Orindan who attended the recent Junior League Convention at the Mark Hopkins.

A short reminder of some coming events

Ticket holders for the Children's Hospital lecture series take note: the date had to be changed as you know, but don't forget to turn up at the El Nido Tuesday to hear the well known commentator Robert Gros.

After all, some confusing events are taking place these days but here is the authority who can explain the various aspects of the various goings-on — so you can explain the front page to your husband for a change, which should be well worth the $1.50 ticket which it will cost if you don't have the series. If you plan to stay for the $1.35 luncheon make a reservation.

Also don't forget the annual Easter Fair at Claremont Hotel. Mardi Gras night will be Thursday to touch off the festivities in gala fashion. Also the children's Variety show, Sub deb fashion show, Talent show and two lectures. This is always one of the important events in the East Bay so call any member of the Orinda Branch or Mrs. Ernest Kahl for tickets.

And a real shindig at the Hauerken's

And getting back to school again, any of you who think the Hokey Pokey is a dance specifically created for the purpose of amusing the very young are most certainly in error.

A vast collection of previously sedate local residents foregathered at the home of George Hauerken recently and "put their back sides in, and put their back sides out" in spirited fashion in celebration of the South American trip to be taken by Haurken and Ray Dickey. The whole shindig was a surprise.

MR. H. WAS HERDED AROUND all afternoon by a friend "in the know" so he wouldn't show up at home during the decorating and food preparation. Then at the appointed hour the two of them appeared and were completely dumbfounded when they walked in the door and there were all their friends saying "surprise." William Flaegar, in a get up he must have gotten out of somebody's attic, arrived as a Western Union boy and read funny telegrams in a half Danish, half comic book accent.

Then there were gifts, one in particular was a neck tie which lighted up every time the wearer touched the battery. The result of that was that the wearer spent a good part of the evening admiring himself in the mirror. It became quite clear that the boys are off on a wonderful cruise and we just hope that South America can take it without getting too dizzy.

Four no trump, double, and so forth

Again speaking of school — approximately 100 local ladies are going to bridge school. The school marm is Mrs. Edward White and the board of directors are the members of the Lombardy Branch of the Children's Hospital. The idea is so successful that there are three sessions, twice a month, the last set at the home of Mrs. Dan Carter.

SO IF YOU SEE YOUR chums wandering around town mumbling something to the effect that a King counts three points except under certain circumstances when it counts either four or two, think nothing of it — they aren't half as batty as you might suppose.

Mr. and Mrs. William Foster are home from New York, Miami and New Orleans, and guess what — the weather is better here — with the possible exception of last Wednesday.

THE LONNIE BEES are entertaining before the next Diablo Cotillion with cocktails and we, personally, know of no better way to entertain.

Even the ladies are giving cocktail parties. Mrs. Maurice Angar entertained recently for Mrs. Charles Craig who is moving to Portland. The piece-de-resistance was the gift of a pretty blouse and earrings. We also happen to know that it rains in Portland so, as of the previously mentioned Wednesday, we are sure Mrs. Craig will feel right at home in the new area.

That is all.

Church to Host Minister's Meet

Dr. Alfred Carleton, president of the Syrian Aleppo College, is to be guest speaker at an area meeting of Congregational ministers and church delegates hosted by the Community Church in Orinda Monday.

The Bay Association of 25 churches will be holding its annual winter meeting under the moderatorship of Carvel Caine, Berkeley churchman, and will number among its speaker Superintendent William D. Pratt, Rev. George Lindsey and Miss Elizabeth Helz of the Conference educational staff, and Rev. Asa Davis Junior new pastor of the South Berkeley Community Church.

Daniel Popovich will direct the Orinda choir in preliminary choral numbers at the evening session beginning at 7:45. A dinner is being served by church women at 6:30, reservations being taken in advance by Mrs. Fred Morrow, Orinda 3755.

The Association will convene in the Orinda church chapel at 4 p.m.

'Whether-Which' Is Sermon Topic

"Not Whether, but Which," is the topic under which the Reverend Fred R. Morrow will discuss the world's religious need in his sermon at the Orinda Community Church Sunday morning at 11 o'clock.

He will be aided by Raymond L. Welles in conduct of worship, with the choir under the direction of Daniel Popovich providing choral portions of the service.

An earlier service is held at 9:30 for adults, particularly parents of children attending the Sunday church school, and young people of intermediate and senior grades.

The adults will be led in discussion by Ralph H. Uhelps, chairman of the adult committee.

St. Stephen's Plans Shrove Tuesday Supper

With the men of the church doing all the cooking and serving, the traditional Shrove Tuesday sausage and pancake supper will be held Tuesday from 6 to 8:30 p.m. in the undercroft of the new St. Stephen's Episcopal church on Via Las Cruces in Orinda.

Observed annually since the early days of the Anglican church, the last festive occasion before Lent was designed to use up all the meat and leaven bread before the period of fasting, the forty week days preceding Easter, Sundays not being considered part of the Lenten season.

Pancakes will be superb and the sausage delectable, according to those who attended last year and partook of the fare created by the Reverend Charles M. Hill, vicar of St. Stephen's and chef for Shrove Tuesday suppers.

James A. Brown, head waiter, has announced that his crew is of exceptional quality, will cater to the guests' every need, and is guaranteed not to sing.

Members and friends of St. Stephen's may be served at any time after 6 p.m. up to 8:30 when both kitchen and dining-room workers will go off duty.

Guest Minister To Address Meet

The Reverend Richard Norberg, popular pastor of the Eden Congregational Church in Hayward, is scheduled as the speaker at a parents' pot-luck dinner meeting of the Orinda Community Church high school Pilgrim Fellowship Sunday at 6:30 in the Fellowship hall of the church.

His address entitled "Deciding Things for Myself" will touch of discussion of family problems by the group of youth and parents attending the dinner meeting. Presiding will be Bill Mott Jr., president of the organization of which Mary Johns is program chairman, and Ray Welles advisor.

Guild Card Party To Be Hawaiian

The Women's Guild spring affair is a dessert card party Tuesday, at Orinda Community Church at 12:30 p.m. Decorations and program as well as the dessert will have a Hawaiian flavor.

Besides bridge or canasta, the women will be entertained by the Kilohana Dancers of Berkeley, Muriel Boyd, Gloria Jones, Mary Morison and Flora Snaer. Mrs. A. J. Sassone is ways and means chairman.

Child care is provided at 50 cents per child.

Shipmates To Hear Dick Hafner Speak

The Shipmates Club of Orinda Community Church will meet tonight at the Ralph Phelps home, 6 Oak Lane. Richard Hafner Jr. of Orinda will talk on his experinces in Indonesia.

Church to Greet New Members

Reverend Paul Romeis of Los Angeles, former pastor of the First Lutheran Church in Oakland and presently assistant to the president of the Evangelical Lutheran Synod of the Pacific Southwest, a part of the United Lutheran Church of America, will preach at the Shepherd of the Valley Lutheran Church in Orinda Sunday.

Pastor Remeis is here to confer with the Church Council on renewing the support of the Board of American Missions and the calling of a pastor.

At the 11 a.m. service there will also be reception of new members. Some of the new members to be received will be Mr. and Mrs. Martin Bekedam and children, Richard, Joy, Elaine and Katheryne; Mrs. Estere Newacheck; Mrs. Janice Tussing Stone and children, Marsha Ann, Kenneth, and Thoimas; Mrs. Shirley Glaeser and Ronald and Gary; Mr. and Mrs. Owen Eide and Joel and David; Mr. and Mrs. John ePterson and Mr. and Mrs. Robert Berthold.

A seven week Lenten Series entitled, "Jesus Christ—Savior of Men" will begin Wednesday evening when the pastor, the Rev. Edward R. Andersen, speaks on the topic "His Loving Concern for His Own."

Tonight at 8, Mr. Harrisville, director of the First Lutheran Church Choir in Oakland and yearly director of the Reformation Choir will start developing a choir for this church.

Guild Sections To Hear Dick Hafner

Sections 1 and 2 of the Women's Guild will have a joint meeting March 9 at the home of Mrs. D. E. Hunter, 20 Sunrise Hill. On the program will be Richard Hafner who will give a talk on his experiences and observations during his year in Indonesia.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Wallace A. Ballinger for a use permit. Said application is to modify provisions of Section 4 Subdivision S Subsection 2 of the provisions of Ordinance 382 as hereafter set forth, namely: to build a caretaker cottage.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382.

Brief description of property: A descriptive parcel 1½ acres fronting 157 ft. on the west side of Sycamore Rd. approx. 400 ft. south of Miner Road.

The time and place of said hearing will be in Room 210, Hall of Records, Martinez, California, at 8:00 P.M. on March 9, 1954.

G. F. McCORMICK, Secretary
Contra Costa County Planning Commission

O-385, Orinda Sun, Feb. 26, 1954.

Mothers Club to Discuss Funds For School Use

Heads of all fund-raising committees for the Orinda Mothers Club, which counts every parent of Orinda schoolchildren as a member, will meet Tuesday at the home of President Mrs. Miles Sutliffe, 7 Snowberry Lane, to decide what the club will contribute to the schools this year.

The club's annual benefit show, "Absurdia in Suburbia," plus bridge meetings and publicity, provides funds usually totaling around $2000 for needed items for Orinda schools.

THE GROUP WILL meet with Superintendent of Schools Joseph L. Sheaff and suggestions for the use of this year's monies are now welcome from any Orinda parent, Mrs. Sutliffe said. Suggestions should be forwarded via the schools' Mothers Club coordinators.

The coordinators are: Orinda School, Mrs. Norman Ketsdever, Orinda 3605; Glorietta School, Mrs. Lee D. Henry, Orinda 2852; Sleepy Hollow School, Mrs. William Witter, Orinda 8236, and Del Rey School, Mrs. Thomas Connolly, Drake 6-4474. All suggestions will be considered at the meeting Tuesday, Mrs. Sutliffe said.

MRS. DON WOODCOCK, chairman for the hula section of "Absurdia" which is scheduled April 1, 2 and 3 at Acalanes High School, announces that no more dancers are needed, but sopranos still are wanted.

Mrs. Bruce Winkworth, general chairman, announced the following personnel: Stage manager, Bud Coburn; sound engineer, Don Clark; lighting, Volney Howard; special properties, Jack Reilly; stage crew, Greg Englehard, Rudy Hansen, Bob Harrison, George Kanewake and Joseph Sheaff.

Watkins on Visit

Mr. and Mrs. Douglas Watkins and family spent the weekend of February 13 and 14 with Mr. Watkins' parents, Mr. and Mrs. R. D. Watkins, at Mountain View.

Bobbie Blue Home From Hospital

Bobby Blue is almost well again after his near fatal accident on Orinda Highway December 24. He was brought home from Herrick Memorial Hospital February 18 and is now out of traction and casts.

Two more weeks in bed and then he will be in a wheel chair until he is strong enough to get about normally.

Delphians Discuss 'Living Patterns'

"Living Patterns in the U.S.A." was the subject discussed at the regular meeting of the Kappa Rho Chapter of the Delphian Society February 15.

Mrs. Clarence Thorne acted as Moderator and those opening discussions were Mesdames Lyle P. Lund, Dorr Etzler, Stanford White and John P. Hermann.

Meetings will continue to be held at 1031 Pine Lane at 1 p.m.

Twinings in Snow

The Fred Twinings spent a weekend at Dodge Ridge skiing, staying at Pinecrest Chalet, a new lodge just opening this year under the ownership of Twining's brother Wilbur and wife Ruth, formerly of Orinda.

Seafarers to Meet

Starting with dessert at 7:30, the Seafarers will meet next Friday night at the home of the E. T. Meakins at 33 La Noria.

Trip to Snow

Mr. and Mrs. Emil Wickman and Mr. and Mrs. E. A. Dawson spent a recent weekend at the Wickman's cottage on the American River at Echo Summit. All enjoyed the beauty of the snow covered scenes and the marvelous clarity of the air.

Mending after Illness

E. Howard Fisher is recovering from surgery performed at Peralta Hospital recently.

Scout Salute . .

Troop 207 Takes Trip to Snow

By MICHAEL HALLORAN

Thursday, February 11, Boy Scout Troop 207 left Orinda at 5 p.m. with about 35 men and boys for Twining's at Pinecrest.

Many complaints were heard on the last 10 miles about the few spots of snow—"Why there wasn't even enough to ski on!"

We arrived about 10 p.m. and after a small snowball fight with the Acalanes Ski Club we turned it.

AT DAWN IT STARTED snowing—but good! We left after breakfast for Boy Scout Camp Judge Bray and on the trip chains were used. As most of us were beginners, we all had several flops on the ski tow and the hill.

That night we came back to the lodge a happy but soaked bunch of kids. All this time it was continually snowing.

Saturday, after the snow plow cleared the road, we left for Dodge Ridge; but not without spending half the morning pushing the cars out. At Dodge Ridge the smallest ski tow was occupied by most of our troop as the hills were steep. After taking our usual beating we had lunch and came home.

IT DID NOT STOP snowing until about 10 a.m. Sunday. It snowed about 36 inches. Most of the cars were half buried and the morning was spent getting them on the road.

We left at 2 p.m. and chains were used more than half the way to Sonora.

We arrived home about 7 p.m. after a wonderful experience in the snow.

Cookie Sale

Mrs. Robert Beconcini of Orinda, area Chairman for the Girl Scout cookie sale, announces that the sale will start tomorrow.

The cookies will sell for 45 cents a box. The troops will keep 50 cents a case for their troop funds and the balance of the profit will be used toward the purchase of a Day Camp Site in our area.

In Orinda, the cookie depots are in the homes of Mrs. Elce Keresey, 47 Orchard Road, Mrs. William Mott, 62 Ardilla Road, and Mrs. Andrew Knudsen, 553 Miner Road.

Five Year Pins

February 11, mothers of Orinda Girl Scouts and troop leaders met for dessert at the Fellowship Hall of the Community Church. Mrs. Arthur Bowman announced the following women were eligible for five-year pins for the work in scouting:

Mesdames F. B. Hilmer, Madge Johnson, Janice Schevill, Alice Slusser and Mary Kronke. Mrs. Ford presented them with their pins.

Cubs and Trees

The members of Den 4, Cub Pack 52, got their choice of one of five different kinds of trees donated by Ernest Rahmeyer, head of the Orinda Hillbillies. Besides the trees he also gave the boys a large sack of soil in which to plant them.

The boys who got the trees, which are Coast Redwood, Arizona Cypress, Aleppo Pine, Monterey Pine, and Sequoia Redwood are Alan Hill, Mason Fries, Mike Smyth, Keith Jacobsen, Ernest Rahmeyer, Stanley Silva and Jasper Allara.

Professional Work Demands Professional Training

Professional knowledge and professional care play a large part in the filling of that prescription your doctor wrote for you. More than that, at times they are vital.

For example, consider the scientific knowledge that is essential to the correct interpretation of the following prescription:

Rx
Bar. Sulf. oziii
M. Ft. Pulv.
Sig. — Take as one dose with wheat-meal cereal 6 hours before next scheduled examination.

His professional training immediately tells the pharmacist he must dispense barium sulfate, an insoluble powder used for certain X-Ray examinations. He carefully distinguishes between barium sulfate and barium sulfide, for the sulfide could cause considerable harm if taken internally.

Your pharmacist uses his knowledge to safeguard your health. Knowledge is the priceless ingredient in the prescription he dispenses for you.

Lenten Services Outlined by St. Stephen's

Ash Wednesday will be observed at separate morning and evening services Wednesday at 10 a.m. and 8 p.m. in the undercroft of the new St. Stephen's Episcopal church on Via Las Cruces ni the Charles Hill area of Orinda.

Marking the first of the Lenten activities scheduled for members of St. Stephen's by the Reverend Charles M. Hill, vicar, the first day of Lent popularly known as Ash Wednesday commemorates the blessing of ashes made from palms distributed on Palm Sunday of the preceding year.

Each Wednesday thereafter, during the Lenten period, a Prayer Book service will be conducted by Mr. Hill, at 8 p.m. in the new church, the Litany or one of the Offices of Instruction being followed by a brief talk by the vicar.

Holy Communion will be administered each Friday morning at 10 o'clock in the main body of the church.

On Annunciation, March 25, a women's quiet day will be held, with prayers and meditation, beginning at the 9:30 a.m. Holy Communion service and continuing until 3 p.m.

A men's prayer retreat will take place April 9 at a large ranch near Pleasanton. The retreat will start with supper at 6:30 p.m. and conclude with lunch on the following day. Reservations may be made with Mr. Hill at the vicarage, or by calling Orinda 3139.

Gore Now Back From Mexico

Challiss Gore has just returned from Southern Arizona and Mexico. He went via Phoenix and Tucson, crossing the border at Nogales, and continued as far as Puerto Penasco on the east side of the Gulf of California. He returned via Yuma and the Imperial and Coachella Valleys, with some time spent at Palm Springs.

Gore reports he was especially impressed with the architecture of the Mission San Xaviar. The various species of cactus were also fascinating, the Sugaro and Organ Pipe species being noteworthy.

However, Gore is still of the opinion that Death Valley is tops.

Photographically, the trip was a success, 226 Rollei and 54 4x5 exposures being made, enough to keep Gore busy for some time.

Zanders Entertain

Mr. and Mrs. Carl E. Zander enjoyed the visit of old friends from Eagle Rock, the Arthur Lyles, recently.

They also entertained Wes Klusman of New York who as National Scout Camp President came to the coast on Scout camp business.

Rotary Is Friendship Explains Shirey

Orinda Rotary Club met Wednesday noon at The Willows to celebrate the 49th anniversary of the founding of Rotary International.

Although the actual birthday was Tuesday, observances were saved for the club's regular meeting.

The program was presented by Bill Morrish, son of Rotarian Ken Morrish, vice president of American Trust Company and nationally known author on outdoor subjects.

BILL, WHO IS following in his father's footsteps and writes regularly for outdoor magazines, has probably had more experience than anybody his age in canoe travel, having spent over 1600 miles in "whitewater."

He showed slides on a trip of his up the Frazer River in British Columbia and told the Rotarians how to catch trout.

In commenting on Rotary's anniversary, president Frank Shirey said, "Rotary activities throughout the world are based on the same general objective — the development of fellowship among business and professional men, the betterment of communities, leading boys and girls into good citizenship, the promotion of high standards in business and profession and the advancement of international understanding, good will and peace.

"THE ONE BASIC objective of Rotary," he added, "is ideal of service — which is to be thoughtful of and helpful to others. To obtain this objective Rotary seeks all that brings people together and avoids all which separates them.

"That is why Rotary has become a world-wide institution, whose ideals have been accepted by men of practically all nationalities, with many different political and religious beliefs."

SHIREY POINTED out that Rotary International is composed of some 380,000 business and professional executives bringing the combined membership of 8000 Rotary Clubs into active work.

ONE OF THE OUTSTANDING projects of Rotary is the Rotary Foundation Fellowship which enables outstanding graduate students to live and study for one year in a country other than their own as ambassadors of good will, on grants ranging from $1800 to $3400.

In the past seven years, Shirey pointed out, Rotary's awards in this field of international understanding have amounted to approximately $1,500,000.

Through this program of other country fellowships, Rotary is endeavoring to foster better international relations by increasing the personal contacts which the nations of the world have with each other.

Stork Club

STANLEY DORRINGTON JR.

"And baby makes three" is the theme song of Mr. and Mrs. Stanley Dorrington of Orinda since the arrival of their first child, an 8 pound baby boy, born at Kaiser Foundation Hospital in Walnut Creek February 18 at 7:24 a.m.

Stanley Dorrington Junior was the name chosen, the middle name not as yet decided upon. Paternal grandparent is Mrs. Lillian Dorrington of Orinda and maternal grandmother is Mrs. Charles Busan of Moraga.

Operatic Tenor to Sing at Heidi Lunch

St. Patrick's, or Spring green will prevail at the Heidi benefit luncheon to be given at Tunnel Inn in Lafayette Thursday when the Diablo area chapter of Children's Home Society, statewide private adoption agency presents its St. Patrick's luncheon and entertainment.

Paul Walti, radio and opera tenor will present a program of song.

LUNCHEON WILL BE SERVED at noon. Chairman is Mrs. Gilbert Myers of Lafayette, assisted by Mesdames Ray Cornelison, Fred G. Costello and D. Russell Dyer of Walnut Creek; J. Wayland Barnette and Griffith Squire of Lafayette; Henry Dean of Danville and John K. Chapman and Waldo Smith of Alamo.

Tickets are still available and may be obtained by calling Mrs. Squire at Lafayette 2074. Jay Bedsworth, proprietor of Tunnel Inn, is donating a delicious luncheon and the facilities of his restaurant for this event in order that Heidi and the Children's Home Society may benefit from the proceeds.

DECORATIONS WILL be carried out in the St. Patrick's theme with shamrocks, harps and even a blarney stone in evidence.

Favors will be presented to each guest. Mrs. Henry Dean of Danville is in charge of decorations according to Mrs. Alfred C. Phelps of Danville, president.

KELA MARIE SNEDEKER of Lafayette and Ray Philip Rugani of Stockton were married in a candlelight ceremony at St. Perpetua's Catholic Church, Lafayette, February 14. The bride is the daughter of Mrs. Albert George Snedeker and the late Albert George Snedeker. The groom is the son of Mr. and Mrs. Louis Rugani of Stockton. The newlyweds will live in Stockton.

Juniors Dance Amid South Seas Decor

Members and guests of the Lafayette Junior Woman's Club celebrated their First Annual Dance Saturday evening at the Lafayette Jewish Community Center.

Decorations in a South Sea motif welcomed the revelers when they arrived. As they entered the foyer a background of leis and Hawaiian art objects greeted guests.

WALLS WERE FESTOONED with fishing nets, tapa cloth and travel posters, much of which was loaned by Skipper Kent of Zombie Village. Other decor included colorful table covers, fresh camellias and coconut straw hats.

The dance committee was headed by Mrs. George Yorg, assisted by Mrs. Leo Coleman Jr., decorations chairman, and Mrs. J. P. Van Overveen, refreshments.

Other hard working committee members were Mesdames Edward Firby, Gordon E. Frazell, Orville Jones and Russell Edward Smith.

THE DECORATIONS committee was composed of Mesdames Robert Stevens, Alvin Medeau, William H. Abbott, Aden Wilson, Cameron Ashby, Homer Wilson, D. W. Andreason and James A. McLaughlin.

Several of the Juniors entertained at Pre-dance parties in their homes. Proceeds will further the many philanthropic projects of the Lafayette Junior Woman's Club.

In addition to active support of the Lafayette Community Center, the club has contributed to Stamps for wounded Veterans, sent magazines to cultural centers in foreign countries, donated articles of clothing to the local Needlework Guild and is procuring therapy supplies for a San Francisco mental hospital.

Lafayette merchants were generous in aiding the dance and received the thanks of President Mrs. Ralph D. Young and Mrs. Joel Kitchens.

HAWAIIAN DECORATIONS featured the first annual spring dance of the Lafayette Junior Woman's Club last Saturday night at the Contra Costa Jewish Community Center in Lafayette. Shown in a relaxed moment during their decorating chores are, left to right, Mrs. George J. Yorg, general chairman of the dance; Mrs. William H. Abbott, Mrs. Orville W. Jones and Mrs. Leo J. Coleman, head of the dance's decorating committee.

— SUN Photo by Mattson

Bethel 218 to Raise Funds at Movie Night

A theater party sponsored by Job's Daughters, Lafayette Bethel 218, will be held at the Park Theater in Lafayette Wednesday and Thursday evenings.

A double feature including "War Arrow," with Jeff Chandler, and "Back to God's Country," starring Rock Hudson, will be presented both nights. Tickets at 70 cents each may be obtained from any Bethel member.

Orinda chairman is Marilyn Rouch, Orinda 3860; Lafayette chairmen are Peggy Boevers, Lafayette 2910 and Sally Clark, Lafayette 3121, and Judy Yowe, YEllowstone 4-6379, will be in charge of Walnut Creek.

Valentine is Theme for Folk Dancers

A valentine theme prevailed at the monthly party of Acalanes Folk Dancers recently at Danville Veterans Memorial Hall.

Large valentines decorated the walls and dining tables were spread with red and white lace doilies. Candy hearts, valentines and a dainty nosegay for each lady decorated the centers of the tables.

THE PROGRAM of both round and square dances was balanced to allow beginners as well as advanced to have an evening of fun. Squares were called by Norm Peddicord, Lafayette, Frank Earl, Walnut Creek, and Taylor Holt, Martinez.

As an extra feature, Dr. Clifford L. Feiler showed colored movies he took of the club's birthday party in November. His candid shots were particularly amusing, sometimes painful but still fun to see, said spokesmen.

He also showed films taken on his vacation last year of the Indian festivities at Gallup, New Mexico.

Those in charge of arrangements were Robert and Marian Horonjeff, Lafayette; Carl and Frances Schwarzer, Walnut Creek, and Jerry and Margie Brown, Walnut Creek.

MANY MEMBERS attended the Federation Folk Dance Festival at the Oakland Auditorium last week.

The very fine exhibitions in themselves were well worth the trip into Oakland, said viewers.

Sorority Unit Holds Brunch

Valentine's Day was the time and the Hotel Claremont in Berkeley was the place selected for the third anniversary brunch of Alpha Epsilon Chapter of Phi Epsilon Phi Sorority.

Mrs. Jack Doke, assisted by Mesdames Thomas Snow, Andy Scott and Betty Kenworthy decorated the table with a valentine motif.

Guests attending were Mesdames George Merriman, Will McCarrell, Glen Marsh, Jack Peterson, Yalter Cline and J. W. Thorner.

The following day, the chapter heard Daniel Stucki, owner of the Daniel Stucki Jewelry Store, speak on gems.

PATTER ON THE PARTY LINE

By PATRICIA JELTON

THERE IS NOTHING THAT WE find more delightful and exhilirating than our friends and neighbors undertaking new business ventures not merely for monetary gain (although we will admit the desirability of that aspect), but with the added point of departure to fill a community need both commercially and artistically enhancing.

We have been particularly entranced this past week with plans for the March 6 opening of Al and Evie Nipkow's tres chi-chi haberdashery shop at 1455 Newell Avenue which is across from the Kaiser Hospital in Walnut Creek. (Yes, if you have been wondering, said creek is an actuality.) Invitations are in the mail for cocktails and tid-bits on that Saturday from 4 until 7.

And here is a little of the background

The affair promises to be a well attended event as the Nipkows' friends are legion. Evelyn is the daughter of the Louis Jurs, formerly of Piedmont and now a Happy Valleyite. She was well known in musical circles having sung with the San Francisco Opera Company after graduation from Miss Ransoms.

From there she went to Paris where she became a protege of Mary Garden's, and it was during this time that she met Al while on a skiing vacation at St. Moritz in Switzerland.

AL WAS RAISED in the Orient where his father was an exporter, and later settled in Los Angeles where his and Evie's paths again crossed with Evie on the same movie lot with Lana Turner. It was her lovely coloratura soprano that you heard in the Marx Brothers' "Day at the Circus."

Well, Al had different ideas for Evie's future, so after their wedding at St. Paul's in Piedmont, the Mary Garden techniques were put to use in the lullaby department, and they were joined by Stevie, Mary and Bobby in their Happy Valley home which they acquired from Julie and Jim Hannan.

Al attended to the fabric imports at this end having in the back of his mind a local retail outlet for these wares when the time became propitious.

So now you can get 'em right here!

The time is now, they have decided, with the shopping center growing as it is. So they acquired a private dwelling at the Newell address which they have been remodeling with pickled pine cabinets, interesting antiques, and unobtrusive provincial decor.

NO LONGER WILL IT be necessary to journey to the British Isles, Canada, or Jamaica for the lovely cashmeres, doeskins, Shetlands, or lambswools. You may choose from the racks or have the lovely materials custom designed into suits, sports jackets, or slacks right on the premises.

Or if your needs are as prosaic as a business suit , voila — dozens to choose from in the more natural un-Hollywoodish styles that seem to be so difficult to find these days.

The ladies are not to be left out, however, as Evie snagged a corner which she has fixed up just to make it possible for the gals to snitch a small amount of the fabrics, plus such delights as the luscious Luisa Spagnoli angora sweaters from Perugia, Italy.

The Nipkows hope that this venture will be the forerunner of a shopping area on a par with La Jolla, Carmel, and Palm Springs, that will attract visitors as well as local shoppers They will be open for tired business men and harassed mothers on Friday evenings, and being the friendly, cooperative sort of people they are, will gladly arrange rendevoux on other evenings.

And here's a Gala Saturday night coming

Now if you're wondering how to spend the rest of Saturday evening, March 6, why we'll tell you.

Just don a funny hat or remove a couple of outer garments and hyper on down to the old Planters Dock, now the Jewish Community Center, where the Lafayette Larks of the Mt. Diablo Therapy Center have arranged a Mardi Gras night with a Bali theme.

PULCHRITUDINOUS PUBLICITY gal Midge Hayes, promises most hilarious evening based on last year's performance at which she herself cavorted as a petite French poodle sporting best of breed ribbon, and Milt Adair appeared in his christening gown.

The Schneiders copped first prize with Jack an organ grinder complimented with monkey Marj. Branch chairman Gladys Shierry will arrange for appropriate potables, Marty's Gourmet House will cater the hams and turkeys.

Doff (Mrs. C. J.) Herman will floss up the joint with proper decor, and the only thing you need to do is to call party chairman Marj. (Mrs. Bill) Harris, Lafayette 3955, or box office Mary (Mrs. K. S.) Welch, Lafayette 2339 for reservations.

And look at whoo-all's going to appear

Already cogitating for a clever idea are the Richard Graves, Robert Cloughs, Robert Foleys, Lawton Shurtleffs, Robert Thompsons, William Scotts, Lee Searights, Dr. Lyall Bishops, Jack Schneiders, William Borowiaks, Edmund Cardins and Ed. Pikes.

And now to drop a few names to impress the boss with our industriousness and oracular value —

DR. PAUL AND MARIAN Samson have recently acquired George and Margaret Placke's home and are looking forward to immediate construction of a new swimming pool to sit beside.

Vivian Gamble Otto and Pierce Milton are being married at a quiet ceremony this weekend at an undisclosed spot (their friends guess Phoenix) after whcih they will be domiciled in their new home recently acquired from the Homer Yaegers.

If you couldn't reach Nan Shapiro on symphony business over the holiday it was because she and Marshall were out on the ski slopes at Squaw Valley.

And if you were in need of Dr. Charlie Rowe for results of your own ski activities, he was at Sun Valley with Ann. At present he may well be esconced at the Therapy Center.

Bill and Hilda Foster settling back into routine after sojourn in Florida and New Orleans.

Well, no use telling everything we know all at once. See you next week, same time, same place.

Patsy Sandy Has Become Mrs. Kingham

Patricia Mae Sandy of Walnut Creek became the bride of Bruce Alfred Kingham of Orinda in a flower-decked St. Andrew's Presbyterian Church in Pleasant Hill Saturday with the Rev. James Upshaw officiating.

Daughter of Mr. and Mrs. J. E. Sandy of 1820 Walnut Avenue, the bride wore a waltz-length white satin gown with inset panels of tulle and long sleeves.

A SATIN PEARL encrusted crown held a fingertip tulle and lace veil in place and she carried a white orchid surrounded by bouvardia and stephanotis.

Mrs. James Bidwell of Walnut Creek was matron of honor and Patricia's sister-in-law, Mrs. Daniel Wakeman and Mrs. Gene Sandy of Walnut Creek were bridesmaids. Bruce's sister, Pauline, was flower girl and Caren and Carol Knight were ring bearers.

The honor matron wore a yellow taffeta gown and the bridesmaids were clad in pale green taffeta.

MAX BENNETT of Walnut Creek was best man while Bill Carlson and Donald Miller of Lafayette ushered guests to their seats.

Bruce is the son of Mrs. Lois Kingham of Orinda. The newlyweds will live at 6 Millervera Avenue, Lafayette, on their return from a Santa Cruz honeymoon.

Newlywed Crofts Now In Martinez

The newly married Mr. and Mrs. Richard Virgil Croft are now at home to their friends in Martinez, following a Reno honeymoon.

A small group of friends saw Betty Louise Salyer of Martinez become the bride of Richard in a candlelight ceremony in the Walnut Creek Methodist Church February 10. The Rev. Phillip Solbjor officiated.

BETTY WORE a two-piece knitted orchid suit with green accessories and a green orchid corsage. Her sister and matron of honor, Mrs. Walter Kline of Walnut Creek, wore a blue wool crepe dress with white accessories and a pink orchid corsage.

Donald Croft was best man for his brother. A reception followed at the Kline home on Hermine Avenue.

Betty is the daughter of Mrs. Mabel Cochran of Sarcoxie, Missouri, and the late Rex Cochran. She attended schools in Kansas and was graduated from high school in Brighton ,Colorado. She is employed by a Martinez automobile agency.

RICHARD IS the son of Mr. and Mrs. Virgil Croft of Pleasant Hill Road. He was graduated from Pleasant Hill Elementary School and Mt. Diablo High School.

On graduation from high school in 1950 he served three years in the Navy Air Corps and is now employed at the Shell Oil Refinery in Martinez.

Gamma Phi Alums Elect, Sell Elephants

Mrs. Terence Ring of Walnut Creek was chosen as new president of the Contra Costa alumnae of Gamma Phi Beta sorority at a meeting Tuesday night at the home of Mrs. Richard F. Peters, Springhill Road, Lafayette.

Mrs. Richard B. Rice, retiring president, turned over her gavel to Mrs. Ring and extended best wishes to the new slate of officers, which includes Mesdames Douglas M. Johnston, vice-president; Walton Kirk, recording secretary; Harney Wilson, corresponding secretary and Conway Smith, treasurer.

On the agenda for the coming months is a supper party for Gamma Phi Beta alumnae and their husbands. The group also contributes volunteer time to the Mt. Diablo Therapy Center, and Mrs. W. W. Ornduff takes sign-ups for this activity.

Tuesday night's meeting included a hilarious white elephant sale, presided over by auctioneer Mrs. William Patterson of Orinda, well-known director of the Orinda Nursery School.

Among the Gamma Phis who attended were the Mesdames Terence Ring, Richard B. Rice, Herbert Dwight, W. W. Ornduff, Harney Wilson, William Patterson, David Stewart, Delbert Perkins, Douglas Johnston and Walton Kirk.

Book Review to Be Given AAUW Section Monday

The book section of the Walnut Creek Branch of the American Association of University Women will meet on Monday at 8 p. m. at the home of Mrs. T. W. Marston, 2641 Oak Road, Walnut Creek.

Mrs. Sherman Camp will review "Lord Vanity" by Samuel Shellabarger. The novel is laid in 1757 and is based upon historical facts. The author also wrote "Prince of Foxes."

Wedding Guests

Mr. and Mrs. Clay Sorrick and Melvin Jacobus of Orinda were recent guests at the wedding of Maile York and Lieutenant David Hutchison Raphael, USA, at Fort Bliss, Texas.

The bride is formerly from New York City and graduated from the Anna Head School in Berkeley. The groom is a Berkeley man.

25 Couples Enjoy Party by Mrs. Green

Mrs. Henry Green entertained 25 Lafayette and Walnut Creek couples in her Larkey Lane home in Walnut Creek Saturday evening.

Mrs. Martha Blamy showed colored slides of the Philippine Islands sent her by a Philippine missionary. Mrs. Alice Goodwin, writer and lecturer, was commentator.

Martins Now At Home in Ygnacio Area

Now at home to friends on Walnut Avenue in Ygnacio Valley are newlywedded Mr. and Mrs. Douglas Martin (Annabel Hopkins).

The justweds returned Monday from a honeymoon that took in both Carmel and Mexico.

THE DOUBLE RING, candlelight ceremony that united the couple took place in the Danville Presbyterian Church February 14, Valentine's Day, with the Rev. H. W. Van Delinder officiating.

Given in marriage by her brother Leonard, Annabel wore a chapel length white satin dress with long sleeves decorated with lace. A fingertip veil flowed from a Juliet cap and she carried a white orchid centered in bouvardia and a white prayer book.

Mrs. Daniel Wakeman of Walnut Creek was matron of honor, with Miss Ann Wagner of Walnut Creek as bridesmaid and the bride's niece, Esther Hopkins as flower girl.

The atendants wore chapel length gowns of rose colored taffeta while the flower girl wore pink. All carried heart-shaped bouquets of violets and carnations.

DANIEL WAKEMAN was best man, while Jack Menges and Don Thomas of Walnut Creek and Ted Mitchell of Marin County ushered.

More than 200 people attended a reception at the home of the benedict's parents, Mr. and Mrs. E. J. Martin of Rudgear Road in Walnut Creek.

Annabel is the daughter of Mr. and Mrs. M. L. Hopkins of 1196 Boulevard Way in Walnut Creek.

Bride-to-Be Feted by Shower

In honor of her niece, Mary Cole Hagar of Berkeley, who will be married in April to Richard P. Hafner Jr. of Orinda, Mrs. Thomas N. Barrows entertained at a shower Saturday afternoon at her home on Southwood Drive in Orinda.

Mrs. Barrows was assisted by her daughter Nancy, who was home for the holiday weekend from Santa Catalina School in Monterey.

The beautifully-appointed party brought together relatives and friends of the bride-elect, including her mother, Mrs. Gerald H. Hagar, and the senior Mrs. Hafner. Others included the Mesdames Frank G. Adams, Nan Stewart, Philip Emery, Howard Fletcher, Bean Palmer, Martha Hirschler, Norman Cuunningham, Donald W. Stewart, Marshall McMillan, David Stewart, Thomas B. Adams, and the Misses Vera Christie, Shirley Daniels and Lou Ann Bowersox.

Eight Families Take Weekend Snow Trip

In beautiful sunny weather and perfect skiing conditions eight families and their guests from Orinda and Lafayette spent the George Washington Birthday holidays at Phillips Lodge near Echo Summit on Highway 50.

They were Messrs. and Mesdames Joseph Sheaff, Ralph Hall, Edward Read, Everett Howe, W. C. Branche, Glen Maxes and Abe Dotys.

Panhellenic Fashion Show Set for Fairmont Tuesday

Many local women will attend the spring fashion show of the Panhellenic Alumnae Association of the San Francisco Bay District at the Fairmont Hotel in San Francisco Tuesday at 12:30 p. m.

Proceeds from the show will go toward a $100 scholarship to be given at Acalanes High School and four other schools and for other scholarship promotion activities.

AMONG THE 40 models who will appear before an estimated 1300 people are Mrs. W. C. Seifert Jr., Mrs. Laurie Neilson, Mrs. C. W. Brown and Mrs .Don Parle White of Orinda, and Mrs. Robert Rowe of Walnut Creek.

Among those who have already arranged parties where they will be table hostesses are Mesdames Clement Ford, David Brunson, C. W. Brown and Dudley Frost of Orinda; Kenneth Keller and Maynard Colliander of Lafayette, and Edward V. Stone and A. L. Bernardi of Pleasant Hill.

Other localites who will attend are Mesdames Wallace Glosser, Joe Bernardi, F. E. Forsberg, Donald Krotz, William Paterson, Dorothy Ledgett, Franklin Hunsicker, Phillip Joy, John Pearson, Robert Miller, B. S. Ginsburg, Frazer Howard, A. T. Babylon and Otto Nettleman of Orinda.

MESDAMES MERV ORTEZ, Paul Haller, Louis Tachella, Fran Atkinson, Dick Reed, John G. Stephens, Lee Winters and Frank Teverbaugh of Lafayette.

Mesdames Edward Voss Jr., Fred Kelleway, Mark Hull and Van M. Williams of Walnut Creek and A. L. Fletcher and Harry Thompson of Pleasant Hill.

Dental Group to Model Clothes

A short business meeting will precede the fashion show of the Women's Auxiliary of the East Bay Dental Societies at the Lido Deck of the Claremont Hotel this afternoon. Mrs. Calvin Gold of Orinda, president, will preside.

The show will feature swim suits and play clothes. A humorous note will be added when some of the models display "Gay Nineties" play clothes.

The following women will model: Mrs. Durell C. LeBreton, Oakland; Mrs. Montell Notte, Oakland; Mrs. W. M. Sheeran, Walnut Creek; Mrs. Edward McBride, Alameda; Mrs. Robert Cuenin, Diablo; Mrs. E. E. Georgian, Lafayette; Mrs. Glenn I. Heltne, Oakland; Mrs. Keith L. Mann, Oakland.

Hostesses will be Mrs. Harry Drescher, Berkeley; Mrs. Joaquin C. Lopes, Piedmont; Mrs. Harry E. Wilson, Oakland; Mrs. Thomas M. Churchman, Alameda.

A report will be given on the final arrangements for the rummage sale to be given at St. George's Hall, Grover Street, Oakland, and also a report on the sewing accomplished for the American Cancer Society.

Mills President Speaks Here

"The chief product of our industrial society today is no longer food, clothing or shelter: it is leisure," said Mills College President Lynn White Jr. yesterday evening.

Dr. White spoke at a public program at Las Lomas High School sponsored by the Mt. Diablo and Orinda Mills College Clubs.

"Until recently," he said, "most people had to labor from sunup to sundown just to make a living, but today the 40-hour week is normal and the trend is to cut it further."

Dr. White then explained that this provides leisure to turn to the "Life of the Mind," spread chiefly in the past by the study of the Liberal Arts.

Mrs. Harvey B. Lyon On Hospital Board

Mrs. Harvey B. Lyon of Lafayette was recently named as a new director of Children's Hospital of the East Bay.

Also elected as new directors were Thad B. McCarty, Walter Brown and Mrs. Don Weaver.

William Harold Oliver and Bernard Silverstein were re-elected.

DAR To Plant Tree in Pacheco

A magnolia tree will be planted in Pacheco Saturday at 10:30 a. m. in Hayden Park by Ann Loucks Chaper of the Daughters of the American Revolution, according to Regent Norma Warner.

It will be dedicated to the first child of the settlement, Annie Loucks, whose mother was honored by the chapter when it took her name.

Miss Loucks, who lived all her 90 years in Pacheco was a teacher there and wrote a history of the community. She was twice regent of the chapter which will honor her tomorrow.

Students Give Piano Recital

The sixth of a series of piano recitals was presented by the students of Mary Nunes Souza at her studio in Glenside Drive last Saturday.

Students participating were Paul Fekete, Nancy Waldman, Johnny Sommer, Marshall Milburn, Diane Luna, Rosemary Milburn, Anna Oldano, Julie Sommer, Jane Harmon, Tim Scott, Johnny Hawkins, Mary Fierro, Inez Carnajal, Dick Horanjeff, Susi Huebbe and Kenny Holroyd.

Waynes on Trip

Mrs. E. P. Wayne and daughter Linda spent a week in Redwood City with her cousins and two girls. This visit was followed by a week in Modesto with other cousins.

Dons Host Pittsburg This Afternoon

Acalanes to Go All Out in Try For Win Column

This afternoon the Acalanes Dons host the Pittsburg Pirates and will be going all out in an attempt to hit the win column.

The Bees will start off at 3:30 p.m.

The Dons have dropped their last two starts to Albany and Alhambra, with the result that they must win from here on out if they are to end up in the top Varsity division.

PITTSBURG TRIMMED the Dons in the first round of play in a free-scoring game, 69-57.

In spots the Dons have played some top-flight ball but they have been anything but hot in their last two outings.

Pittsburg depends on fast-breaking tactics but may have difficulty on the Dons' narrow court.

The Pittsburg five, like the Dons, has been in-and-outers, so that the game looms as pretty much of a tossup.

COACH JEAN RIDLEY promises several shakeups, as far as the starting lineup goes, and Joe Sheaff, elongated sophomore, may get a call at one of the No. 1 spots.

Today's games were shifted to the afternoon due to a dance scheduled for tonight.

All other games in the league are 7 p.m. affairs.

Don Fives Force Cougars to Play Hard for Wins

The Acalanes Dons did themselves proud last Friday night despite the fact that they were on the short end of the score in both the Bee and Varsity games with Albany, at Albany.

The Cougar Varsity chalked up its 12th league win in a row when they toppled the Acalanes five 55-48 in a hard-fought contest that found the Dons keeping the issue in doubt down to the final buzzer.

Albany's Bees defeated the Don Babes 46-39.

The Varsity win gave Albany a cinch for a tie for league honors and probably for an undefeated season, as the competition ahead should not prove too tough.

PACED BY THEIR All-County center, Jumping Joe Dorsey, the Cougars went to a 16-9 first quarter lead, with Dorsey hitting five field goals in a row, with nary a miss, while Bob Gray, Acalanes' center, banged through six points on two field goals and a pair of free throws.

The second quarter was practically even-steven, with Albany tallying 15 points to the Dons' 14, and it was Albany out in front 31-23 at the halfway mark.

The Dons came back fighting all the way in the second half. With a changed defense, they held Dorsey to three field goals, only to have him score another 6 points via the free throw.

IN THE FINAL quarter, with three minutes to go, the Dons pulled up to a 44-40 count after trailing 44-35 at the end of the third quarter, only to have Albany's Charlie McDonald and Ron Hansen contributed drive in field goals and Dorsey hitting on a jump shot from 10 feet out to put the Cougars out of reach.

The game was a thriller that saw a Don team force Albany to be at its season's best to cop the win.

Dorsey, hitting on 70 per cent of his floor shots, came up with 26 points for high-point honors, while the diminutive sophomore sensation, Ron Hansen, contributed 13 to the winning cause.

Bob Gray with 14, Bart Ferro with 13 and John Conley with 11 were top scorers for the Dons.

Conley's defensive play, particularly in the second half, when he covered Dorsey, was tops. In addition, he did excellent rebound work on the boards.

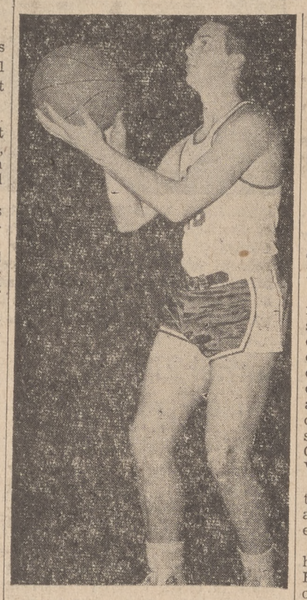

IN THE BEE game, both teams were hotter than firecrackers when it came to shooting.

Each team scored with great consistency from 15 feet or more.

The lead changed back and forth, with Albany taking a very big margin only at the close of the game, when it scored on fast-break plays.

Alan Sutton, Don forward, took scoring honors with 14 points, while Albany's John Carmelich bagged 12.

SPORTS

RELIABLE PERFORMER on the Acalanes Don Varsity basketball team is Larry Tate. Last fall he was on the Don Varsity football team. Before coming to Acalanes, he played basketball and football at Modesto High and at El Camino High in Sacramento.

Roundup of Last Friday's Games

Last Friday night the Varsity race found Albany virtually cinching the title when the Cougars upset the second-place Dons 55-48.

Over Pittsburg way, the Pirates smashed Pleasant Hill 71-31, while Antioch racked John Swett at Crockett, 38-30.

Alhambra had its hands full and edged Las Lomas 53-51 at the Martinez court.

In the Bees, the Don Babes went down before Albany's five, 46-39, Antioch copped the win over John Swett when Grover Garvin notched 24 points to pace his team to a 47-29 win.

In other Bee games, it was Alhambra 37-22 over Las Lomas and Pittsburg 51-40 over Pleasant Hill.

Dons' Baseball Practice Starts Monday Afternoon

Acalanes baseball aspirants, some 60 strong, will report for duty Monday afternoon when practice officially gets under way at Acalanes Field at 3 p. m.

All players not in basketball will report, whether going out for Varsity or Junior Varsity, and workouts during the week will be devoted to conditioning activity and fundamental drills, with a squad cut coming at the end of the week and a squad division being made Monday, March 8, when Coach Hal Oxsen takes over the J. V. nine while Coach Erwin Mattson handles the Varsity Club.

ON PAPER the Dons look to have the makings of a good, well-balanced club, with a number of veterans returning to the fold.

In the catching spot the Dons have a trio of receivers in Benny Edgar and John Champlin, holdovers from last year, each capable of turning to the outfield when not catching, and Andy Fadelli, a newcomer to the spot who is well recommended and has promise as a hitter.

On the mound, "Red" Richard Jones looks to be the No. 1 thrower and as a junior appears capable of winning his share of the games. Last year he was one of the league's best, and with added age, experience and weight, should be in for a good year.

THE BIG QUESTION is the No. 2 hurler. John Conley, another junior, could be it, depending on how he comes around on his control.

Mike Barrett and Pete Villa, up from the Bees, are two other prospects, and only time will tell how they will fare. Lou Schrepel, a husky senior, is another who might fill the gap.

Bob Gray, a regular first sacker last year, is back on the initial sack and should round out a well-knit infield. Dick Austin, up from J. V. play, and Gary Williamson, a Las Lomas transfer, are two other candidates to fill the position.

DOWN SECOND base way, Richie Munn, who lettered last year, is a top candidate for the No. 1 spot, while Leroy Silveira is up from the J. V. team, and a newcomer from Fremont, Jaul Wright, aims to make a strong bid.

At shortstop, Jerry Coakley and Bob Kinney are two top flight players, while Bart Ferro returns as a veteran at the hot corner known as third base.

Coakley is also a proven second baseman, and with a strong arm may take a whirl at becoming a pitcher, where he has shown definite aptitude.

Another third baseman is Jim Davis, who was a bright prospect as a sophomore, stayed out last year and now is back for a try as a senior.

IN THE OUTFIELD several players will be up from the Junior Varsity, and one who rates is Mel Ferrarese.

Jones, Conley, Coakley, Munn and any of the catchers can double in the outfield and probably will be used for added hitting strength.

There are a number of others, any one of whom could be a dark horse who could take over a regular position.

League play gets under way with Antioch furnishing the opposition on March 23, 4 p. m., at Acalanes.

Bulldogs' Bark Soft After Close Win Over Knights

Las Lomas' Knights gave the Alhambra Varsity all that the Bulldogs could handle last Friday night and came within three points of pulling the upset of the 1953-54 basketball season.

Final score was: Alhambra, 53; Las Lomas, 51.

The Bullpups defeated the Las Lomas Bees 37-22.

The games were played at Martinez.

PLAYING THEIR TOP game of the season, the Varsity Knights knotted the count at 9-9 at the end of the opening period, and Alhambra's Bulldogs weren't barking too loud when they left the floor at halftime with a scant 23-19 lead.

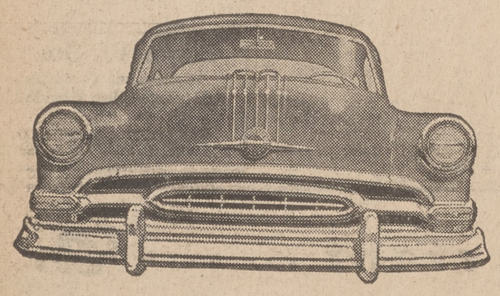

In the third period, the Bulldogs increased their lead by two points when they outscored the Las Lomas five 18-16.

Coach Merrill Callow's team wasn't to give up easy, however, as it came strong to outscore Alhambra 16-12 in the final quarter, and it was the Bulldogs, not the Knights, who were glad to hear the final buzzer.

PLAYING IN THEIR first year of league varsity play, and without any seniors, the Knights won a moral victory and gave evidence of things to come, once they get to be a full four-year school.

Bob Lucas snared scoring honors as far as the Knights were concerned when he put on a brilliant display of all-around floor play in addition to meshing six field goals and three charity tosses for a grand total of 15.

Dons Drop Pair To Fast-Stepping Alhambra Teams

The Acalanes Dons were really in the doldrums after a double defeat at the hands of the Martinez Bulldogs Tuesday afternoon at the Acalanes gym.

With both fives playing at one of their lowest levels of the season, the Don Varsity went down 48-41, while the Don Babes never got out of low gear as they were trounced 35-23.

In the Varsity game, Alhambra's Jack Jordan, elongated forward, popped through three field goals in the opening quarter and hit for four more in the second stanza, which, along with two free throws, gave him 16 points at the halfway mark.

THAT ENABLED Alhambra to leave the court at halftime with a 27-18 lead, after being out in front 13-9 at the end of the opening quarter.

The Dons simply were away off on their shooting, and, while they picked up a point outscoring the Bulldogs 11-10 in the third period and another point in the final quarter, when they tallied 12 points to Alhambra's 11, it was all of no avail, as time ran out, with the Martinez quintet out in front.

The Dons' lone bright light was Guard Bart Ferro, who banged in 15 points and played a good all-around game. Jordan with 25 was tops for the day.

The loss knocked the Dons out of the No. 2 spot, with Diablo and Alhambra now in the runner-up position, in a two-way tie.

IN THE BEE game, the Dons were colder than an iceberg as they hit on but seven of 38 tries from the floor.

The Don Babes took a 6-4 opening quarter lead and managed to be out in front 10-9 at the half, but from then on it was all Bullpups.

Alhambra tanked 11 in the third quater and 15 in the fourth, while the Acalanes five hit for 5 and 8 points, in that order.

Reg Harris was top scorer for the winners, with 11 points, while Terry Ashe led the Dons with a meager seven.

Please write us news about your family, friends, clubs and interesting events. If you see something important, call at once.

Tuesday Results On Prep Courts

On Tuesday Albany scored a double win over Antioch, taking the varsity game 60-46 and tripping the Antioch Bees with a last-second field goal, 45-44.

Mt. Diablo knocked over John Swett 64-28 in the Varsity, while Swett copped the Bee game 38-31.

Pittsburg dropped Las Lomas 54-48 in the heavyweights and 44-33 in the lightweights.

Alhambra took the Dons twice. It was 48-41 in the Varsity and 35-23 in the Bees.

Knights, Rams Clash Tonight

Las Lomas and Pleasant Hill basketball teams will try their luck tonight on the Walnut Creek floor, and on the basis of record the Las Lomas Knights definitely rate the inside track.

The Bees will start festivities at 7 o'clock.

The Knights have been the surprise team the last two times out, as they almost toppled Alhambra and Pittsburg.

The Rams, too, have shown surprising form on occasion, and this game promises to be a ding-dong battle, with Jim McMillan leading the Ram pack while Arne Lundquist looks like the big gun for the Knights.

Both fives have had a difficult time their first year in the league, operating without any seniors.

On the basis of their showing to date, they promise to cut a wider swath in prep basketball circles next year, when they keep their clubs intact, while every other team loses a number of first-string players.

Cougars Cop Hoop Title

The Albany Cougars racked up their 13th straight basketball league win Tuesday afternoon when they measured the Antioch Panthers 60-46 at Antioch, and with the win went the title for the 1953 season.

League standings show Albany with a 13-0 record, Mt. Diablo and Alhambra next with 9-4, Acalanes and Pittsburg with an 8-5 mark, John Swett with 5-9, Las Lomas 1-13 and Pleasant Hill 0-13.

Ferrarese Paces Lagers to Title

Don Ferrarese of Walnut Creek, former Acalanes whiz, paced his Lucky Lager teammates to the Alameda Winter Baseball League title Sunday as he left handed a no-hit, no-run game against E. Bercovich and Sons.

Walking 10 batters in the first six frames, Ferrarese was saved by three spectacular double plays by teammates in the 3-0 victory.

He will begin training with the Oakland Acorns Monday.

Prep Hoop Season Ends Next Week

Next week finds the 1953-54 basketball season winding up with games on Tuesday and next Friday.

On Tuesday afternoon Acalanes goes to Diablo and will be scrapping to get back in the No. 2 spot, currently held by Mt. Diablo and the Alhambra Bulldogs.

THE DONS WHIPPED the Devils in their first meeting, and the Devils have sworn revenge.

The Dons are in no mood to be trifled with, however, as they are still stinging from the setback at the hands of Alhambra last Tuesday.

LOS LOMAS TACKLES John Swett at Crockett and the fast-coming Knights, who have been a surprise with their excellent play in their last two outings, may be ready to cop a league win at Swett's expense.

Albany, with the pennant already in the bag, will be going for an undefeated season and is heavy favorite to topple the Pleasant Hill Rams at Albany.

All Tuesday games will start with the Bee contests at 3:30. Antioch takes the bye.

NEXT FRIDAY NIGHT ends the season.

Acalanes will face Pleasant Hill at Concord, Pittsburg and Antioch will meet at Pittsburg, Diablo goes to Alhambra and John Swett opposes Albany at Albany. Las Lomas draws the bye.

CC Camera Club Wins Print Prize

At the yearly meeting of the Northern California Council of Camera Clubs (N4C), the Contra Costa Camera Club was awarded a cup for a tie place for the print of the year in the Salon Division.

James Hokanson was awarded a cup for the print of the year in the Advanced Division.

Spotlighting the Strip

By KITTY COLE

This weekend's celebration will be the double one at the C. & B. RESTAURANT, where two innovations will greet the public.

BOB BOLAND has done it again, and this eatery is the first in the area to feature chicken, steak and roasts cooked by infra-red ray. This is called "atomic cookery" and turns out the most tender and beautifully browned meats and fowl you have ever seen. The meat is put on a revolving spit, and quickly cooked by a battery of ten lamps. And the new cocktail bar (a most attractive room) will be serving your favorite drinks.

Today's column is the long-promised one about EMIL JANEL and the set of eight lobster fishermen which he carved especially for DON THOMPSON and the CAPE COD HOUSE lounge. Each figure was carved from one piece of alderwood and averages 22 inches in height. The 4 by 12 painting of Cape Cod, its wharf and buildings, sets the scenic background for the unusual display.

EMIL JANEL, a short, stocky man of 61, with bushy gray hair and huge hands, has much of the "rough and ready" characteristics of his carved figurines.

Born in Orsa, Sweden, he began carving at the age of 4, and even at that early age, showed signs of genius. He won first prize in a Stockholm exhibit against competition of 250 leading sculptors. He was then only 24.

He came to the United States, where he worked as a lumberjack, until his figures became so sought after, that they brought prices ranging from $200 to $1500, and he began to devote all his time to this fascinating and profitable trade.

In 1932, JANEL exhibited 120 pieces at the de Young Museum in San Francisco, and more than 10,000 people attended opening day, thus prompting an unprecedented three weeks extension of his one-man show.

He uses no posed models in his work, makes no preliminary sketches or drawings and no marks whatsoever on the wood he is about to carve. He simply visualizes the completed subject by sheer power of imagination, and his statues are so perfectly balanced, that they require no base but stand on their own feet.

JANEL divides his time between his studio in San Francisco and another in the Russian River area, spending his days carving special pieces for special places, as those made for DON THOMPSON.

Go into the CAPE COD HOUSE and look at these amazingly life-like figures. Masterpieces by one of the world's greatest living sculptors.

Shopping at home has a number of advantages. You save time, effort — and money, too.

Banquet Honors Girl Athletes At Acalanes

Acalanes girls, through their Girls' Athletic Association, recently honored outstanding girl athletes at an awards banquet.

Two juniors, Mary Matlock and Marcia Miilu, received "Block A's," highest award given by the organization.

Others presented with G. A. A. emblems were Fay Cady, Donalee Fey, Judy Fry, Donna Laney, Carol Miller, Sally Pedder and Joyce Schaeffer.

Class numeral awards were presented to Viretta Butler, Fay Cady, and Georgianna Frowerk.

About 85 Acalanes girls attended the spaghetti award dinner in the Don cafeteria. Miss Bea Bettencourt, girls' physical education instructor, is advisor to the group.

Your Garden

New Flame-Colored Blaze Zinnia Wins All-America Selections Flower Award

By BERT WRIGHT

STANDING OUT OVER all others, Blaze Zinnia wins the only All-America Selections flower award for 1954.

Really flame or fire colored, Blaze brings this new scarlet-orange color to the new giant Fantasy-type zinnias.

Up to 5 inches across, like the largest Dahlia-flowered favorites, Blaze seems the truest, most uniform in color, plant and size of this popular new class of zinnias.

BLAZE UNIFORMITY and colorfulness create a sensational mass display in bed or border, also bringing accent to any place in the garden or home.

Its introducer calls this new type Giant Hybrid Zinnias, the loveliest new flowers ever created. That shows real enthusiasm for these easily grown flowers, and maybe he is right.

After all, petunias and zinnias are the most useful and widely planted flowers from seeds.

They come in several types, sizes and colors. They are easy to grow, zinnias even easier than petunias, and produce better plants and flowers if grown in place, without transplanting.

ZINNIAS HAVE come a long way from the wild species found in Mexico and in the lower southern states.

There are attractive and useful small flowering types, as the recent winning Persian Carpet Zinnias. But the larger flowering "Youth and Old Age" group has become larger and larger in size.

Actually, Blaze may measure larger than the other Giants, although the refined and pointed petal tips give the flowers a lacy, feathery and airy appearance, free of stiffness and heaviness often associated with other large zinnias.

TRY THESE NEW fiery colored zinnias this year. They grow easily and well in almost any sunny garden location or even in partial shade.

They don't need transplanting. Sow the seeds where you want the plants to grow and then thin out to about a foot apart. You can transplant the excess plants if desired.

Carmel Weekend
Mr. and Mrs. Richard Kilner, 125 Lombardy Lane, Orinda, recently spent a week end in Carmel with June and Bob Haring of Lafayette.

They joined other friends from the Bay Area for a weekend of golf and pleasure.

Our want ads carry good news for you.

Plans Underway For Garden Club Camellia Show

Plans got under way this week for the Second Annual Camellia Show sponsored by the Mt. Diablo Men's Garden Club.

According to Al Evers, chairman, the show will again be held in the Walnut Creek Recreation Center Saturday, March 13, from 1 to 10 p.m. and Sunday, March 14, from 10 a.m. to 6 p.m.

However, Evers said, there will be some changes from last year's show which was enjoyed by more than 400 people. "For one thing," he said, "admission this year will be only 25 cents."

GARDENERS THROUGHOUT the area will present exhibits which will range from single blooms to more elaborate displays of plants and arrangements.

Many nurseries will also present landscaping exhibits featuring the popular plants.

There will be information on the planting and culture of camellias and literature designed to show the amateur how to start his own culture of the plants.

THE EXHIBIT IS open to anybody wishing to enter. For further information contact the nearest nursery.

The exhibit will be divided into classes for the various types and colors of blooms and plants.

Mrs. Ford Invited To Welfare Confab
Mrs. Leonard Ford, president of the Diablo Valley Area Girl Scout Council, is attending the Governor's Conference on child welfare in Sacramento yesterday and today.

Local Camellias Showing

Choice blooms from gardens in Lafayette, Walnut Creek and Orinda will be included in the Ninth Annual Show of the Northern California Camellia Society in the Berkeley Veterans Memorial Building tomorrow from 2:30 to 10 p.m. and Sunday from 10 a.m. to 6 p.m.

Many beautiful floral arrangements depicting the use of camellias in the home will be displayed by women members headed by Mrs. Herbert Teachout of Orinda.

And there will be art in action exhibits, instruction in camellia culture and advice on planting, fertilizing and spraying.

Thousands of flowers including many new varieties will be shown by amateur and professional growers.

Local residents who will participate are H. S. Ashuckian, Donn Court, William B. Dorsey, David L. Feathers, W. A. Irwin, Harold L. Paige and Leanora A. Ure of Lafayette.

John N. Beers and Herbert V. Mitchell of Walnut Creek and Mrs. Horace Breed, Mr. and Mrs. Barlow Hollingshead, Dr. G. L. McKeever, Donald D. Truincliff and Mrs. Teachout of Orinda.

Jewish Women to Hold Fund Party

St. Patrick's Day is the date selected by the League of Jewish Women for a fund raising salad luncheon and card party. The charge will be $1.75 with the proceeds to go to the alteration of the Jewish Community Center Building.

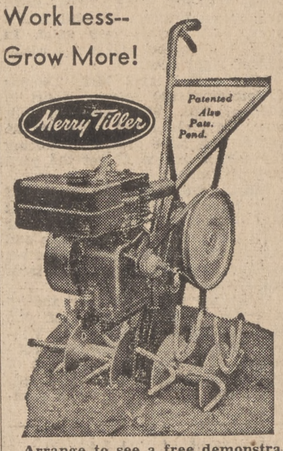

The luncheon is scheduled for noon at the Jewish Community Center in Lafayette with various types of cards and games to follow. This is opened to the public.

Mrs. Harold Siner is general chairman, assisted by Mesdames N. C. Pinkus, decorations; Sam Wiseman, reservations and Arthur Scharlac, David Zuckerman, Ben Brudney and Mrs. Arthur Weisberg.

Rapid Transit? It's Up to Us!

Rapid transit as a need for Central and Eastern Contra Costa County residents is becoming more and more apparent.

Whether rapid transit will become an actuality depends on the alertness of the people and organizations of this area in "getting their story across" to county and state officials and to the San Francisco Bay Area Rapid Transit Commission.

A constant reminder of the importance of this problem to this commuter area is the very real possibility that in the years ahead —and perhaps in not too many years — Central Contra Costa County may be the heaviest-populated section of the entire Bay Area, outside of the large metropolitan centers like San Francisco and Oakland.

People in the Peninsula, Marin County, the Richmond area, Oakland and the Hayward-San Leandro area increasingly feel the pressures of community growth; more and more of them are coming to Central Contra Costa County to live.

This tendency will accelerate as such developments as Utah Construction Company's plans for Moraga take shape.

Growth of our area has been amazing in the period since the end of World War II. There can be little doubt that this process will be intensified in the next several years.

What are we going to do to meet the transportation requirements of that not-too-distant future, as well of the present?

Many transportation experts agree that rapid transit is a key answer.

The SUN is gratified that our county officials have succeeded in placing the subject of the Sacramento Northern tracks in the engineering study of the Rapid Transit Commission. That is a step in the right direction—and the study may provide the definite answer to the complex problem.

But rapid transit, whether through use of the Sacramento Northern tracks or right of way or through some other means, will not come into being merely because of the merit of a cause.

Constant awareness and action by the people and their organizations, by our officials, are required. This awareness and this action must serve to make sure that such items as Sacramento Northern are not lost in the shuffle — that every possibility of use of Sacramento Northern tracks or right of way be explored.

Regarding Sacramento Northern, The SUN repeats its stand of the past few years: We believe that not one foot of track should be removed before a thorough study is made.

It is up to us, our organizations and our public officials to make certain that the Rapid Transit Commission fully realizes the urgency of the problem to Central Contra Costa County, so that its final report will satisfy all concerned that the matter has been investigated adequately.

BROTHERHOOD WEEK
February 21-28
Sponsored by The National Conference of Christians and Jews

Painting Classes To Be Presented

Two new painting classes are being offered through the Artists Market and Gallery, 1045 Stuart Street, Lafayette.

A children's class on Saturday from 10 a.m. to noon, will be instructed by Jade Fon who studied at the University of Arizona; worked with the Art Students League in Los Angeles; did background work at Metro Goldwyn Mayer studios; has won 14 first prizes in watercolor painting; and is currently an instructor at Contra Costa Junior College.

A weekly class of instruction in all mediums for adults is being offered by Bert Pumphrey A once-a-month all day field trip will be included in this schedule. Mr. Pumphrey's art education includes three and one-half years at the Art Institute of Chicago and four consecutive 1-year scholarships with Chouinard of Los Angeles.

Arrangements for either class may be made by phoning Lafayette 2930.

What They Say . . .

What Are Your Spring Garden Plans?

There's just a touch of spring in the air, although there are still wintery blasts to come.

With even the thought of spring, though, comes the thought of flowers, and with flowers, gardens.

So, with this in mind The SUN called a few people to ask "What are your home garden plans for this spring?"

"WE HAVE SO many I couldn't begin to tell you," said Mrs. Edward Vollmer, 1096 Oak Hill Road, Lafayette. "We're going to try to landscape in general. The lawn situation is something we have an argument about in our family, though.

"I like lawn and my husband likes cut flowers. Anyway, we'll put in a brick terrace and some lawn."

WILLIAM W. VOSPER, 4 Owl Hill Road, Orinda, said, "That's my wife's department. We do have the problem of a few retaining walls, and I think we'll put in a few cut flower beds."

"Most of our property is still unlandscaped," said Mrs. Robert P. Voegtly, 133 Moraga Highway, Orinda. "The immediate area around the house is in good shape, but we are going to work on some of our banks this year, and then just planting in general."

JOHN F. WADDELL, 3288 Sweet Drive, is practical about the whole thing. "I'm just going to raise some vegetables, I think. We did it last year, and they're very good. In fact, I'm going out and pick a cauliflower right now."

"Oh, golly," said Mrs. Thomas Coopman of 820 Audrey Court in Pleasant Hill. "Well basically, right now, we'll clean out some of the weeds that have grown up during the winter and we'll get the yard back in shape."

MRS. GERHARD K. Hantke of 2081 Sherman Drive in Pleasant Hill answered, "Well, this year we'll just put in a few annuals and then work with the perennials we already have. We put in fruit trees and shrubs last year."

"Tear the weeds out first thing," said Mrs. William Pollock of 1035 Mountain View Boulevard in Walnut Creek. "And then," she continued, "I'm plannnig on a lot of iris. I planted many seeds last year and I hope I'll have a lot of seedlings.

Letters to The Editor

Dear Editor:

Your article on fluoridation (February 12 "Under the Sun" column) prompts me to write a letter to you.

I am very glad you brought up the subject, as it seems someone should start East Bay Municipal Utility District on doing something about it.

Why not suggest to you readers that they write their opinions, for or against, on their monthly statements when they send their payments in? You could notify EBMUD so that they could keep a record of the votes.

For many months other ideas have been sliding around in my head:

Why not have any young hoodlums that are arrested for vandalism spend some supervised time on our highways, cleaning up the mess left by litter louts?

Why not have the Greyhound bus depot in Lafayette moved over to Golden Gate Way on the corner across from the Pioneer Store? The buses really bottle up traffic where it is now, and the Golden Gate Way location would be ideal for incoming and outgoing schedules.

Name withheld on request.

Martinez Merry-Go-Round

Files for Coroner

Dr. L. H. Fraser, prominent and veteran Richmond physician, has announced he will be a candidate at the June 8 primary election for the office of Contra Costa County Coroner.

Last week Dr. C. L. Abbott, dean of the county's physicians and coroner for 33 years, announced that he would not be a candidate for that office.

Hunting Classes

A program of safe hunter education is being launched in Contra Costa County to instruct teen-agers in the proper handling of firearms and thus help qualify them for hunting licenses under new restrictive legislation.

Effective July 1 hunting licenses will not be issued to new applicants under 16 years of age unless they are able to produce a certificate of competence in the safe handling of firearms.

To assist young Contra Costa County hunters, sportsmen's groups, schools and others are cooperating to establish a series of classes on hunter safety, states County Superintendent of Schools B. O. Wilson.

Real Estate Board To Hold Meeting

A general membership meeting of the Contra Costa Real Estate Board will begin Tuesday evening at 7 p. m. at Rancho Grande in Lafayette.

Under The Sun

By Herman Silverman

Legalistic Excuses of East Bay Mud

In today's news section you'll note that Manager John McFarland explains the fluoridation policy of the East Bay Municipal Utility District. Answering this column of two weeks ago, he states:

"If the Municipal Utility District Act and the State Health and Safety Code are properly amended to clarify questions regarding authority, responsibility and legal liability, the Board of Directors intends to place the question of fluoridation to a vote of the people so that they may make the final decision."

This is interesting — BUT:

1. San Francisco, San Diego, and Antioch Municipal Water Supply in our own county, as well as others throughout California, are already saving the teeth of their children by fluoridation — and are NOT hiding behind a lot of legalistic jabber and excuses. Martinez has given final OK on fluoridation.

2. Apparently no legalistic bogey man has scared Philadelphia, Nashville, Milwaukee, Toledo, Minneapolis, Detroit, Buffalo, Cleveland, Fort Worth, Oklahoma City, Little Rock, Evanston, Indianapolis, Cedar Rapids, Louisville, Baltimore, Norfolk, Washington, D. C. They fluoridate their water.

3. There are numerous legal opinions to give EBMUD the necessary assurances regarding "authority, responsibility and legal liability."

4. To my knowledge, EBMUD has made no attempt to secure clarification by legislation of laws that it is so concerned with.

Cal Water Co., too

Let me hastily add that California Water Service Company, which covers parts of our area, is equally quilty. Every day fluoridation is delayed means penalizing our children.

Our kids will have 66 per cent less cavities — if a tiny bit of fluorine, a natural element not a medicine, is added to the water — at a cost of about 10 cents per person per year.

What can you do about it?

Write to President Louis J. Breuner and the Board of Directors, East Bay Municipal Utility District, 512 16th Street, Oakland, 23. Or if you live in Pleasant Hill or parts of Walnut Creek served by Cal Water, write President Ralph Elsman and Manager N. C. Nutting, 1840 Salvio Street, Concord. (Send us a copy if you have a spare.)

Write it every time

And/or every time you pay your water bill, scribble on the part you return: "Our children need fluoridation." (Note the "u" before the "o" — it always fools me.) This idea originates in this week's letter to the editor.

There is much more that we can do, so lets talk about it next week.

I received a fan letter from "Orinda Democrat." It's printed in this column rather than in Letters to the Editor, because it's worthy of publication, even though the writer did not sign his name. (Remember, we'll withhold your name on request but it must be signed to be printed.)

Editor beats his wife?

Dear Editor:

Regarding your "fence sitting" commentary on Congressman Bob Condon in your editorial "Under the Sun" of Feb. 12, 1954, I want to offer a ridiculous story in line with your ridiculous commentary.

"Two sheriff's deputies prevent Reporter Herman Silverman from attending PTA conference due to information they possess that Silverman beats his wife. Silverman at reunion of reporters swears under oath that he has never and does not beat his spouse. However, this does not prove or disprove anything for Silverman. We suggest he demand of the D. A. that he try him for perjury."

The truth of the Condon Case is that it is simply applied McCarthyism right in our own backyard. An honest and extraordinarily capable and effective legislator who has worked patriotically and untiringly for all the people of his district, Condon is very hard to beat at the polls except, of course, perhaps by applied hysterical McCarthyism.

Checking his record

Proof of Bob Condon's superiority as an American and devoted servant of his constituents' best interests has been his voting record in Congress, where he has voted for and supported all the positive legislation of the Eisenhower administration. How many of these smear-happy Republicans in Congress can say the same of their record?

The voters in this district will live up to the great American tradition of fair play and will refuse to let the smearing hysteria of McCarthysim stampede them into sending to Congress third-rate, ineffectual representation.

Confident that the voters will wisely examine the men, their records and the issues and return Condon to Congress by a bigger majority than ever, I am . . .

Sincerely
Orinda Democrat

Alas, the truth is out

I want Orinda Democrat to know that, sad but true, I admit beating Eleanor every Thursday night — and Mark, Dan and Janet every Saturday morning.

But, a serious letter deserves a serious answer. Lets say my opponents were threatening my position with clear-cut charges that I was doing something — or had done — wrong. These charges were made official or at least were corraborated by an important public agency (Atomic Energy Commission in Condon's case). The charges were being accepted not as rumor, but as truth.

Then, Orinda Democrat, I would do something drastic about it. If everything else failed, I would have a friend place me under citizen's arrest and demand that I be tried for my asserted wrong doing.

Bob Condon is in a tough spot. Highly-placed Democrats in the county, even his supporters, agree that he has not handled the problem properly.

Unfortunately he must disprove the charges — which I have stated before is not in line with American justice. He should not be judged guilty until so proven,.

But Condon must come forth with some kind of action to clear himself.

Everything's dry in a jiffy ...and fluffy-soft

when you Go Modern with an automatic Gas clothes dryer

From baby diapers to heavy towels, everything's dry faster and fluffier with a modern Gas clothes dryer. It's gentle tumble-action saves clothes too. Ultra violet rays make clothes fresher, more sanitary and sweeter-smelling. You merely set an automatic control and go about your other daily tasks. Your laundry is fully dry and wrinkle-free, ready for folding and putting away — or slightly damp for ironing. No sprinkling necessary. With an Automatic Gas clothes dryer there is no expensive wiring or costly heating elements to replace, and a Gas clothes dryer costs far less to operate. See your local Gas Appliance dealer today. Learn how you can dry clothes better with Gas, regardless of the weather.

GAS costs LESS today than it did in 1940!

Hot water to wash and rinse a load of clothes costs only about a penny... with GAS!
